

1.1 moves to amend H.F. No. 100, in conference committee, as follows:

1.2 On Article 1, R1, House language, (H0100-11)

1.3 Page 3, delete subdivision 6 and insert:

1.4 "Subd. 6. **Artificially derived cannabinoid.** "Artificially derived cannabinoid" means
1.5 a cannabinoid extracted from a hemp plant or hemp plant parts whose chemical makeup is
1.6 changed after extraction using food grade acids, or other catalyst or process approved by
1.7 the office, to create a different cannabinoid or other chemical compound by applying a
1.8 catalyst other than heat or light. Artificially derived cannabinoid includes but is not limited
1.9 to any tetrahydrocannabinol created from cannabidiol."
