

Subject Salt Reduction

Authors Hansen, R. and Others

Analyst Janelle Taylor

Date March 11, 2024

Summary

This bill would require the Pollution Control Agency (PCA) to compile an annual report on the state's purchase of deicing salt beginning February 1, 2025, and establish a state goal to reduce the purchase of deicing salt by 25 percent by January 1, 2030. Deicing salt would exclude salt used for roads managed by the Department of Transportation.
