

Building New Beginnings

About RS EDEN

RS EDEN's mission is **to create thriving, just communities where healing occurs and new beginnings are possible. We envision a community built upon a shared commitment to wellbeing and equity, where individuals and families are free from injustice and anchored in generational resilience.**

RS EDEN operates **17 locations** in both Minneapolis and St. Paul, **serving over 1,000 people a day** from across the entire state. Our latest development is one of the only truly affordable housing programs in the state, Amber Apartments - 80 units in Minneapolis's Longfellow neighborhood.

For 50 years, RS EDEN has long been a leader in creating unique solutions to the challenges our community faces, including the entrenched, multi-generational poverty and systemic racism experienced by communities of color. To that end, we support Twin Cities individuals and families through programs that provide recovery from substance use, community reentry after incarceration, and safe and healthy affordable housing.

Vision: RS EDEN Recovery Campus

After completing the purchase of three properties on Portland Avenue in Minneapolis, near Hennepin Health, we are looking to transform the area into a campus with affordable & supportive housing, recovery services, and reentry programs.

In the face of an increase in unhoused people, communities struggling in the aftermath of George Floyd's murder, and the long-lasting impacts of the COVID-19 pandemic, **the RS EDEN Recovery Campus will transform an underdeveloped area of Downtown Minneapolis into an epicenter for recovery near the Hennepin Health campus.**

This project will turn surface parking lots into a campus that will utilize the Minneapolis 2040 Plan to its full extent. **Creating hundreds of affordable, supportive, and transitional housing units with services on site and easily accessible to residents.**

RS Eden Recovery Campus

Expansion of Affordable Housing, Treatment, Mental Health, and More.

Current Operations

- 1025 Portland Ave.
- 614 Grant St.

Proposal

- 1011 Portland Ave.
- 615 10th St.
- 1000 Park St.

Legislative Ask:

\$2 million for pre-design and design of the RS EDEN Recovery Campus
