Letter Of Support

Dear Minnesota State Leaders,

The undersigned educators, veterans and community leaders of the Vietnamese Community of Minnesota sincerely ask that you support HF-2428, the Southeast Asian Vietnam War Documentary Series. This project will help tell the truth as it includes the very people who had first-hand experience during the war. We would like to make sure that future generations will learn about a chapter in American history accurately.

Your support in HF-2428 will also help preserve the true stories of the American and its Allies, their sacrifices and devotion to fight for freedom which we all enjoy at this very moment.

Respectfully Yours,

Thomas Cao  
President, Vietnamese Community of Minnesota
