RE: Support of HF626 (Becker-Finn), Cities and towns allowed to require additional licensing for hotels

The Minnesota Police and Peace Officers Association (MPPOA) is the largest association representing public safety professionals in the State of Minnesota.

**MPPOA supports HF626, legislation that will allow cities and towns to require additional licensing for hotels.**

This bill will ensure that known bad actors are not operating illegal activities on their premises. Hotel business owners have a responsibility to ensure they are responding and addressing any illegal activities on their premises and ensuring safety and security for all guests and citizens of those cities.

For the reasons above, MPPOA supports HF626.

Sincerely,

Brian Peters  
Executive Director  
Minnesota Police and Peace Officers Association
