

## Westbrook, MN

### Water Filter Rehabilitation

The Westbrook water utility serves a population of 730, with 345 household (400 meters). The median age of the population is 54 with 34% being over the age of 65.

A new or major repair of the water treatment filter vessel is urgently needed due to severe corrosion at the critical floor/wall area of the tank.

An initial cost estimates for a repair was prepared totaling \$750,000
