**Date** March 20, 2023

## Summary

This bill appropriates money for a grant to 826 MSP for programs to help students from low-income families and students of color that strengthen literacy skills, increase student engagement, and develop student leadership. The grant recipient is required to report to the commissioner consistent with the evidence-based grant requirements under Minnesota Statutes, section 127A.20, and submit a preliminary and final report.
