Overview

This bill requires school districts and charter schools to adopt seizure action plans and provide staff with training materials on seizures.

Summary

Section	Description
---------	-------------

1	Seizure action plan.
---	-----------------------------

Subd. 1. Seizure training and action plan. Requires a school district or charter school where a student with a seizure disorder and prescribed seizure medication is enrolled to have a seizure action plan. The action plan must identify an employee who can administer seizure medication and require training on seizures.

Subd. 2. Training requirements. Requires a school district or charter school to provide all licensed school nurses or other designated individuals, and other staff with self-study materials on seizure disorders.

Subd. 3. Department of Health. Allows a school district or charter school to consult with the commissioner of health regarding training resources.

Effective date: This section is effective for the 2022-2023 school year and later.
