

1.1 moves to amend H.F. No. 2930, the delete everything amendment
1.2 (H2930DE1), as follows:

1.3 Page 210, after line 32, insert:

1.4 "Subd. 6. **Biennial budget; annual financial report.** The commissioner must prepare
1.5 a biennial budget for maintaining the 988 system. By December 15 of each year, the
1.6 commissioner must submit a report to the legislature detailing the expenditures for
1.7 maintaining the 988 system, the 988 fees collected, the balance of the 988 account, the
1.8 988-related administrative expenses of the commissioner, and the most recent forecast of
1.9 revenues and expenditures for the 988 account, including a separate projection of 988 fees
1.10 from prepaid wireless customers and projections of year-end fund balances.

1.11 Subd. 7. **Waiver.** A wireless telecommunications service provider or wire-line
1.12 telecommunications service provider may petition the commissioner for a waiver of all or
1.13 portions of the requirements of this section. The commissioner may grant a waiver upon a
1.14 demonstration by the petitioner that the requirement is economically infeasible."
