

City Levy and Tax Rate Information Maple Grove

For the Maple Grove Community Center Expansion and Renovation project, without the local option sales tax, the capital cost of the project would require a **14.5% increase in the levy for debt service**. The additional operating costs of the expanded project will require **an additional 4.5% increase in the levy**.

Maple Grove’s population has increased 37% or 2.2% per year on average since 2004. During this same time-period, our levy has increased by 4.65% on average per. This growth in levy reflects services being provided beyond our businesses and residents, to the users of our regional commercial districts, community center, athletic fields, hospital and medical services.
