

Subject Government Data Practices: Education Support Services Data

Authors Feist and Sundin

Analyst Nathan Hopkins

Date February 7, 2022

Overview

This bill classifies “education support services data”—a term defined in the bill—as private data on individuals. In 2020, Hennepin County applied for and received a temporary classification from the Department of Administration to maintain the privacy of data that it collects under its new Educational Support Services Program (ESS).¹ This temporary classification was submitted to the legislature in January 2021. Pursuant to section 13.06, subdivision 7, the temporary classification will expire August 1, 2022.

Summary

Section	Description
---------	-------------

1	Education support services data.
----------	---

	This section defines “education support services data,” and classifies it as private data on individuals.
