

1.1 ..... moves to amend H.F. No. 1062 as follows:

1.2 Delete everything after the enacting clause and insert:

1.3 "Section 1. **DECOMMISSIONING AND DEMOLITION PLAN FOR COAL-FIRED**  
1.4 **PLANT.**

1.5 The public utility that owns an electric generation facility powered by coal that is located  
1.6 within the St. Croix National Scenic Riverway and is scheduled for retirement in 2028 must  
1.7 develop a plan and detailed schedule of activities that it proposes to undertake to  
1.8 decommission and demolish the electric generation facility and to remediate pollution at  
1.9 the electric generation facility site. The public utility must file the plan with the Minnesota  
1.10 Public Utilities Commission as part of the public utility's next resource plan filing under  
1.11 Minnesota Statutes, section 216B.2422, or in a separate filing by December 31, 2025,  
1.12 whichever is earlier. A copy of the plan and schedule must be filed on the same date with  
1.13 the governing body of the municipality where the electric generation facility is located.

1.14 **EFFECTIVE DATE.** This section is effective the day following final enactment."
