**Bill Description**

This bill aims to include an “electronic positive response” provision associated with the state’s Call-Before-You-Dig requirements in Minnesota Statute 216D. The provision requires that utility operators provide an electronic status to Gopher State One Call regarding their response to utility locate requests.

**Assumptions**

The Office of Pipeline Safety has regulatory oversight responsibilities regarding the provisions in Minnesota Statute 216D. The proposed requirements do not include any new provisions for OPS that would require additional funds.
