Traffic Conditions Map

FUTURE GROWTH BY 2045

As traffic continues to grow, delays and congestion are expected to worsen.

Wait times on side streets will increase because so much time is needed to move the north-south traffic on Highway 65.

How travel times will increase by 2045

Southbound
Morning (6-9 am)
currently ~22 min

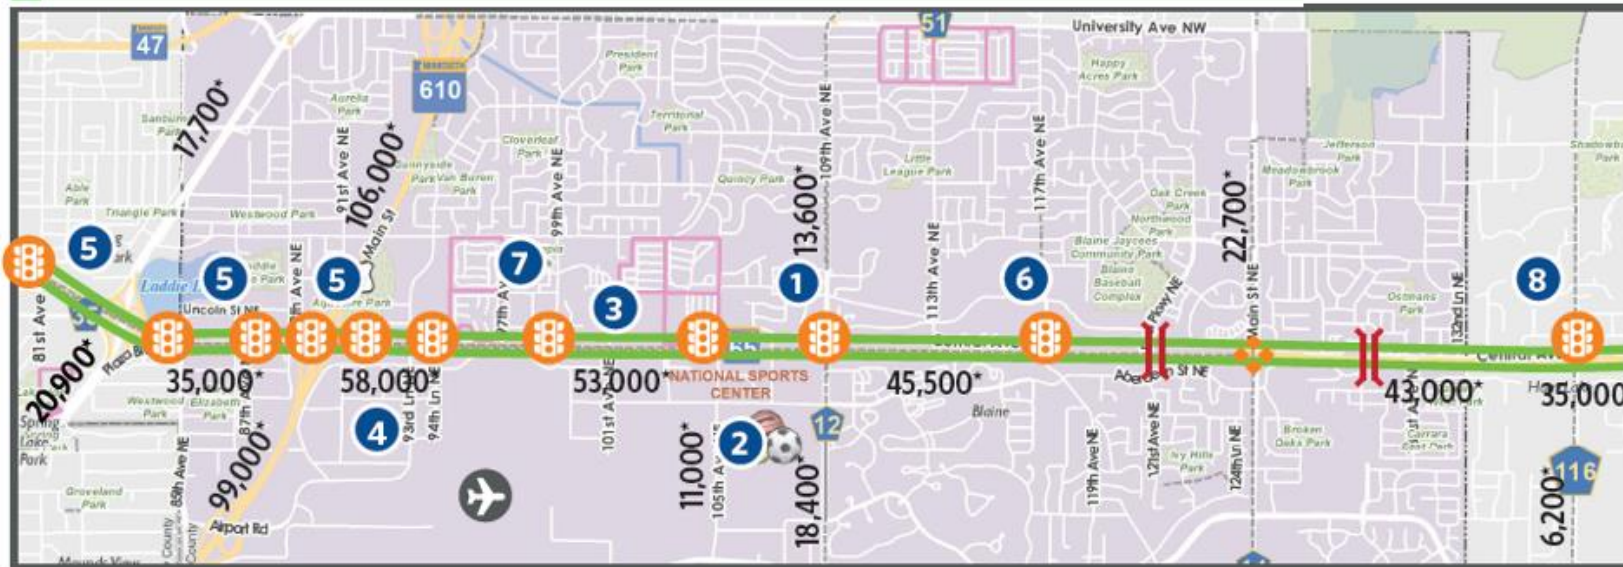

13 Minute Increase

Northbound
Evening (3-6 pm)
currently ~24 min

16 Minute Increase

2017-2018:
I35W @ 95th Ave
= 59,000 AADT
TH65 @ 109th Ave
= 65,000 AADT
