

1.1 moves to amend H.F. No. 3679 as follows:

1.2 Page 5, line 2, delete the period and insert "provided that the municipality shall:"

1.3 Page 5, after line 2, insert:

1.4 "(i) not discriminate in favor of its own communications facilities by granting itself more
1.5 favorable or less burdensome terms and conditions than a competitive service provider with
1.6 respect to the access and use of public rights-of-way, municipally owned or controlled
1.7 conduit, towers, utility poles, and permitting fees charged for access to the municipally
1.8 owned and managed facilities;

1.9 (ii) maintain separation between its role as a regulator over firms that offer services in
1.10 competition to those offered by the municipality over its communications service facilities,
1.11 and its role as a competitive provider of services over its communications service facilities;
1.12 and

1.13 (iii) not share inside information between employees or contractors responsible for
1.14 executing its role as a regulator over firms that offer communications services in competition
1.15 to those offered by the municipality, and employees or contractors responsible for executing
1.16 the municipality's role as a competitive communications services provider."
