3.24 or indirectly contributed or transferred original funds or in-kind contributions used for

4.2 during the calendar year.

4.3 Subd. 2. **Contributions.** (a) This subdivision applies to contributions that are not in-kind  
4.4 contributions.

4.5 (b) A covered entity must notify a donor that the contribution may be used in Minnesota  
4.6 for covered campaign spending unless the donor opts out of having the donation used or  
4.7 transferred for these purposes. The notice may be provided to the donor before or after the  
4.8 covered entity receives the contribution, but the contribution may not be used or transferred  
4.9 for covered campaign spending purposes until 21 days after the notice is provided or until  
4.10 the donor provides written consent, whichever is earlier. The notice provided to the donor  
4.11 must be in writing and, at a minimum, must state:

4.12 (1) the donor's contributions may be used for covered campaign spending in Minnesota  
4.13 and that information about donors may have to be reported to the Campaign Finance and  
4.14 Public Disclosure Board for disclosure to the public; and

4.20 by this paragraph does not negate the obligation to comply with the requirements in paragraph  
4.21 (d).

4.22 (d) Within ten days of receiving a written request from the covered entity, any person  
4.23 who contributes \$10,000 or more in aggregate in traceable funds in an election cycle segment

4.26 of the persons' original funds being transferred, and the identities of any persons who have  
4.27 previously transferred the original funds. If more than one transfer has previously occurred,  
4.28 the contributor must disclose all the previous transfers and intermediaries. The contributor  
4.29 must maintain these records for at least four years and provide them, upon request, to the  
4.30 board. The covered entity must not use or transfer the contribution for covered campaign  
4.31 spending purposes unless the covered entity has received complete transfer records for the  
4.32 contributions.

4.33 Subd. 3. **In-kind contributions.** (a) This subdivision applies to in-kind contributions.

5.1 (b) A covered entity must notify a donor that the in-kind contribution may be used in  
5.2 Minnesota for covered campaign spending unless the donor opts out of having the donation  
5.3 used for these purposes. The notice must be in writing and must state:

5.4 (1) the donor's contributions may be used for covered campaign spending in Minnesota  
5.5 and that information about donors may have to be reported to the Campaign Finance and  
5.6 Public Disclosure Board for disclosure to the public; and

5.7 (2) the donor may opt out of having their contributions used or transferred for covered  
5.8 campaign spending in Minnesota by notifying the covered entity at the time the contribution  
5.9 is made or offered to be made.

5.10 (c) When a person makes an in-kind contribution to a covered entity of \$10,000 or more  
5.11 in aggregate in traceable funds in an election cycle segment, the notice required by paragraph  
5.12 (b) must also inform the person of the requirements of paragraph (d). A covered entity's  
5.13 failure to provide notice required by this paragraph does not negate the obligation to comply  
5.14 with the requirements in paragraph (d).

5.15 (d) Any person who makes an in-kind contribution to a covered entity of \$10,000 or  
5.16 more in aggregate in an election cycle segment to enable covered campaign spending must  
5.17 inform the covered entity, at the time the in-kind contribution is made or offered to be made,  
5.18 of the identities of persons who directly or indirectly contributed or provided \$1,000 or  
5.19 more in original funds used to finance the in-kind contribution, the amounts of the persons'  
5.20 original funds so used, and the identities of any persons who had previously transferred the  
5.21 original funds. If more than one transfer had previously occurred, the in-kind contributor  
5.22 must disclose all the previous transfers and intermediaries. The in-kind contributor must  
5.23 maintain these records for at least four years and provide them, upon request, to the board.  
5.24 The covered entity must not use the in-kind contribution unless the covered entity has  
5.25 received complete transfer records for the contributions. A covered entity must not use an  
5.26 in-kind contribution for covered campaign expenditures if the donor has notified the covered  
5.27 entity that the donor has opted to not have the in-kind contribution spent for covered  
5.28 campaign expenditures.

5.29 Subd. 4. **Penalty.** For each violation of this section, the board may impose a civil penalty  
5.30 of not less than the amount contributed or spent, and not more than the greater of either  
5.31 \$10,000 or double the amount contributed or spent.

5.32 **EFFECTIVE DATE; APPLICATION.** This section is effective January 1, 2026, and  
5.33 applies to contributions or transfers made on or after that date.

6.3 of the items listed in paragraphs (b) to (q) that are applicable to the filer. The board shall  
6.4 prescribe forms based on filer type indicating which of those items must be included on the  
6.5 filer's report.

6.6 (b) The report must disclose the amount of liquid assets on hand at the beginning of the  
6.7 reporting period.

6.8 (c) The report must disclose the name, address, employer, or occupation if self-employed,  
6.9 and registration number if registered with the board, of each individual or association that  
6.10 has made one or more contributions to the reporting entity, including the purchase of tickets  
6.11 for a fundraising effort, that in aggregate within the year exceed \$200 for legislative or  
6.12 statewide candidates or more than \$500 for ballot questions, together with the amount and  
6.13 date of each contribution, and the aggregate amount of contributions within the year from  
6.14 each source so disclosed. A donation in kind must be disclosed at its fair market value. An  
6.15 approved expenditure must be listed as a donation in kind. A donation in kind is considered  
6.16 consumed in the reporting period in which it is received. The names of contributors must  
6.17 be listed in alphabetical order. Contributions from the same contributor must be listed under  
6.18 the same name. When a contribution received from a contributor in a reporting period is  
6.19 added to previously reported unitemized contributions from the same contributor and the  
6.20 aggregate exceeds the disclosure threshold of this paragraph, the name, address, and  
6.21 employer, or occupation if self-employed, of the contributor must then be listed on the  
6.22 report.

6.23 (d) The report must disclose the sum of contributions to the reporting entity during the  
6.24 reporting period.

6.28 registration number if registered with the board of the lender and any endorser and the date  
6.29 and amount of the loan. If a loan made to the principal campaign committee of a candidate  
6.30 is forgiven or is repaid by an entity other than that principal campaign committee, it must  
6.31 be reported as a contribution for the year in which the loan was made.

6.32 (f) The report must disclose each receipt over \$200 during the reporting period not  
6.33 otherwise listed under paragraphs (c) to (e).

7.1 (g) The report must disclose the sum of all receipts of the reporting entity during the  
7.2 reporting period.

7.3 (h) The report must disclose the name, address, and registration number if registered

7.5 expenditures, independent expenditures, and ballot question expenditures have been made  
7.6 by or on behalf of the reporting entity within the year in excess of \$200, together with the  
7.7 amount, date, and purpose of each expenditure, including an explanation of how the  
7.8 expenditure was used, and the name and address of, and office sought by, each candidate  
7.9 or local candidate on whose behalf the expenditure was made, identification of the ballot  
7.10 question that the expenditure was intended to promote or defeat and an indication of whether  
7.11 the expenditure was to promote or to defeat the ballot question, and in the case of independent  
7.12 expenditures made in opposition to a candidate or local candidate, the candidate's or local  
7.13 candidate's name, address, and office sought. A reporting entity making an expenditure on  
7.14 behalf of more than one candidate or local candidate must allocate the expenditure among  
7.15 the candidates and local candidates on a reasonable cost basis and report the allocation for  
7.16 each candidate or local candidate. The report must list on separate schedules any independent  
7.17 expenditures made on behalf of local candidates and any expenditures made for ballot  
7.18 questions as defined in section 10A.01, subdivision 7, clause (2), (3), or (4).

7.19 (i) The report must disclose the sum of all expenditures made by or on behalf of the  
7.20 reporting entity during the reporting period.

7.21 (j) The report must disclose the amount and nature of an advance of credit incurred by  
7.22 the reporting entity, continuously reported until paid or forgiven. If an advance of credit  
7.23 incurred by the principal campaign committee of a candidate is forgiven by the creditor or  
7.24 paid by an entity other than that principal campaign committee, it must be reported as a  
7.25 donation in kind for the year in which the advance of credit was made.

7.26 (k) The report must disclose the name, address, and registration number if registered  
7.27 with the board of each political committee, political fund, principal campaign committee,  
7.28 local candidate, or party unit to which contributions have been made that aggregate in excess  
7.29 of \$200 within the year and the amount and date of each contribution. The report must list

7.33 during the reporting period and must separately disclose the sum of all contributions made  
7.34 to local candidates by the reporting entity during the reporting period.

8.1 (m) The report must disclose the name, address, and registration number if registered  
8.2 with the board of each individual or association to whom noncampaign disbursements have

8.4 entity and the amount, date, and purpose of each noncampaign disbursement, including an  
8.5 explanation of how the expenditure was used.

8.6 (n) The report must disclose the sum of all noncampaign disbursements made within  
8.7 the year by or on behalf of the reporting entity.

8.8 (o) The report must disclose the name and address of a nonprofit corporation that provides  
8.9 administrative assistance to a political committee or political fund as authorized by section  
8.10 211B.15, subdivision 17, the type of administrative assistance provided, and the aggregate  
8.11 fair market value of each type of assistance provided to the political committee or political  
8.12 fund during the reporting period.

8.14 and funds must itemize contributions that in aggregate within the year exceed \$200 for  
8.15 legislative or statewide candidates or more than \$500 for ballot questions on reports submitted  
8.16 to the board. The itemization must include the date on which the contribution was received,  
8.17 the individual or association that provided the contribution, and the address of the contributor.  
8.18 Additionally, the itemization for a donation in kind must provide a description of the item  
8.19 or service received. Contributions that are less than the itemization amount must be reported  
8.20 as an aggregate total.

8.21 (q) Legislative, statewide, and judicial candidates, party units, political committees and  
8.22 funds, and committees to promote or defeat a ballot question must itemize expenditures and

8.30 entity during the reporting period. The report must list each contributor of original funds  
8.31 who has contributed, directly or indirectly, more than \$5,000 of traceable funds or in-kind  
8.32 contributions during the reporting period and the date and amount of each contributor's  
8.33 contributions. The report must identify any persons who acted as intermediaries who  
8.34 transferred, in whole or in part, traceable funds from original sources to the reporting entity

9.1 and the date, amount, original source, and intermediate source of the transferred funds. The  
9.2 report must identify any person whose aggregate contributions of traceable funds to the

9.31 reporting period exceeds \$25,000, then the board may also impose a late filing fee of up to  
9.32 two percent of the expenditures or disbursements that should have been reported, per day,

10.1 commencing on the day after the report was due, not to exceed 100 percent of the amount

12.21 causing the material to be prepared or disseminated in a disclaimer substantially in the form  
12.22 provided in paragraph (b) or (c) is guilty of a misdemeanor.

12.23 (b) Except in cases covered by paragraph (c), the required form of disclaimer is: "Prepared  
12.24 and paid for by the ..... committee, ..... (address)" for material prepared and paid for by  
12.25 a principal campaign committee, or "Prepared and paid for by the ..... committee, .....

13.9 message: ..... (names of donors). More information may be found at ..... (link to the  
13.10 committee's web page on the Board's website)." As an alternative to providing the full  
13.11 address to the committee's page on the board's website, the disclaimer may instead use a  
13.12 different method that is commonly used to provide a shortcut to a specific web page.

14.28 (c) If multiple contributors have contributed identical amounts so that there is no  
14.29 difference in contributed amounts between the third-highest contributor and the  
14.30 fourth-highest, or lower, the contributor who most recently contributed to the covered entity  
14.31 shall be deemed a top three donor.

14.32 (d) No contributor of traceable funds shall be deemed a top three donor if the contributor's  
14.33 aggregate contributions of original funds during the election cycle to the covered entity are  
14.34 less than \$10,000.

15.1 (e) To the extent that fewer than three contributors meet the \$10,000 threshold in  
15.2 paragraph (d), an intermediary who transferred, directly or indirectly, more than \$10,000  
15.3 of traceable funds to the covered entity during the election cycle shall be treated as the
