## Overview

This bill modifies requirements for individualized education programs for students receiving special education services.

## Summary

Section	Description
---------	-------------

- |   |   |
|---|---|
| 1 | <b>Individualized education programs.</b><br>Allows a student's transition plan to be delayed until the student turns 16 if the parent or guardian requests the delay.  |
| 2 | <b>Individualized education program; rule amendment.</b><br>Requires the commissioner of education to amend part of an administrative rule to only require a statement of measurable annual goals as part of an individualized education program and not include benchmarks or short-term objectives. |
