1.18 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.19 ARTICLE 1
1.20 INDIVIDUAL INCOME AND CORPORATE FRANCHISE TAXES

1.21 Section 1. Minnesota Statutes 2022, section 289A.08, subdivision 7, is amended to read:

1.22 Subd. 7. Composite income tax returns for nonresident partners, shareholders, and
1.23 beneficiaries. (a) The commissioner may allow a partnership with nonresident partners to
1.24 file a composite return and to pay the tax on behalf of nonresident partners who have no
1.25 other Minnesota source income. This composite return must include the names, addresses,
1.26 Social Security numbers, income allocation, and tax liability for the nonresident partners
1.27 electing to be covered by the composite return.

2.1 (b) The computation of a partner's tax liability must be determined by multiplying the
2.2 income allocated to that partner by the highest rate used to determine the tax liability for
2.3 individuals under section 290.06, subdivision 2c. Nonbusiness deductions, standard
2.4 deductions, or personal exemptions are not allowed.

2.5 (c) The partnership must submit a request to use this composite return filing method for
2.6 nonresident partners. The requesting partnership must file a composite return in the form
2.7 prescribed by the commissioner of revenue. The filing of a composite return is considered
2.8 a request to use the composite return filing method.

2.9 (d) The electing partner must not have any Minnesota source income other than the
2.10 income from the partnership, other electing partnerships, and other qualifying entities
2.11 electing to file and pay the pass-through entity tax under subdivision 7a. If it is determined
2.12 that the electing partner has other Minnesota source income, the inclusion of the income
2.13 and tax liability for that partner under this provision will not constitute a return to satisfy
2.14 the requirements of subdivision 1. The tax paid for the individual as part of the composite
2.15 return is allowed as a payment of the tax by the individual on the date on which the composite
2.16 return payment was made. If the electing nonresident partner has no other Minnesota source
2.17 income, filing of the composite return is a return for purposes of subdivision 1.

2.18 (e) This subdivision does not negate the requirement that an individual pay estimated
2.19 tax if the individual's liability would exceed the requirements set forth in section 289A.25.
2.20 The individual's liability to pay estimated tax is, however, satisfied when the partnership
2.21 pays composite estimated tax in the manner prescribed in section 289A.25.

2.22 (f) If an electing partner's share of the partnership's gross income from Minnesota sources
2.23 is less than the filing requirements for a nonresident under this subdivision, the tax liability
2.24 is zero. However, a statement showing the partner's share of gross income must be included
2.25 as part of the composite return.

2.26 (g) The election provided in this subdivision is only available to a partner who has no
2.27 other Minnesota source income and who is either (1) a full-year nonresident individual or
2.28 (2) a trust or estate that does not claim a deduction under either section 651 or 661 of the
2.29 Internal Revenue Code.

2.30 (h) A corporation defined in section 290.9725 and its nonresident shareholders may
2.31 make an election under this paragraph. The provisions covering the partnership apply to
2.32 the corporation and the provisions applying to the partner apply to the shareholder.

2.33 (i) Estates and trusts distributing current income only and the nonresident individual
2.34 beneficiaries of the estates or trusts may make an election under this paragraph. The

3.1 provisions covering the partnership apply to the estate or trust. The provisions applying to
3.2 the partner apply to the beneficiary.

3.3 (j) For the purposes of this subdivision, "income" ~~means the partner's share of federal~~
3.4 ~~adjusted gross income from the partnership modified by the additions provided in section~~
3.5 ~~290.0131, subdivisions 8 to 10, 16, and 17, and the subtractions provided in: (1) section~~
3.6 ~~290.0132, subdivisions 9, 27, and 28, to the extent the amount is assignable or allocable to~~
3.7 ~~Minnesota under section 290.17; and (2) section 290.0132, subdivision 14. The subtraction~~
3.8 ~~allowed under section 290.0132, subdivision 9, is only allowed on the composite tax~~
3.9 ~~computation to the extent the electing partner would have been allowed the subtraction. has~~
3.10 ~~the meaning given in section 290.01, subdivision 19, paragraph (h).~~

3.11 **EFFECTIVE DATE.** This section is effective for taxable years beginning after December
3.12 31, 2022.

3.13 Sec. 2. Minnesota Statutes 2022, section 289A.08, subdivision 7a, is amended to read:

3.14 Subd. 7a. **Pass-through entity tax.** (a) For the purposes of this subdivision, the following
3.15 terms have the meanings given:

3.16 (1) "income" has the meaning given in ~~subdivision 7, paragraph (j), modified by the~~
3.17 ~~addition provided in section 290.0131, subdivision 5, and the subtraction provided in section~~
3.18 ~~290.0132, subdivision 3, except that the provisions that apply to a partnership apply to a~~
3.19 ~~qualifying entity and the provisions that apply to a partner apply to a qualifying owner. The~~
3.20 ~~income of both a resident and nonresident qualifying owner is allocated and assigned to~~
3.21 ~~this state as provided for nonresident partners and shareholders under sections 290.17,~~
3.22 ~~290.191, and 290.20; section 290.01, subdivision 19, paragraph (i);~~

3.23 (2) "qualifying entity" means a partnership, limited liability company taxed as a
3.24 partnership or S corporation, or S corporation including a qualified subchapter S subsidiary
3.25 organized under section 1361(b)(3)(B) of the Internal Revenue Code. Qualifying entity does
3.26 not include a partnership, limited liability company, or corporation that has a partnership,
3.27 limited liability company other than a disregarded entity, or corporation as a partner, member,
3.28 or shareholder; and

3.29 (3) "qualifying owner" means:

3.30 (i) a resident or nonresident individual or estate that is a partner, member, or shareholder
3.31 of a qualifying entity; or

3.32 (ii) a resident or nonresident trust that is a shareholder of a qualifying entity that is an
3.33 S corporation.

4.1 (b) For taxable years beginning after December 31, 2020, in which the taxes of a
4.2 qualifying owner are limited under section 164(b)(6)(B) of the Internal Revenue Code, a
4.3 qualifying entity may elect to file a return and pay the pass-through entity tax imposed under
4.4 paragraph (c). The election:

4.5 (1) must be made on or before the due date or extended due date of the qualifying entity's
4.6 pass-through entity tax return;

4.7 (2) may only be made by qualifying owners who collectively hold more than a 50 percent
4.8 ownership interest in the qualifying entity;

4.9 (3) is binding on all qualifying owners who have an ownership interest in the qualifying
4.10 entity; and

4.11 (4) once made is irrevocable for the taxable year.

4.12 (c) Subject to the election in paragraph (b), a pass-through entity tax is imposed on a
4.13 qualifying entity in an amount equal to the sum of the tax liability of each qualifying owner.

4.14 (d) The amount of a qualifying owner's tax liability under paragraph (c) is the amount
4.15 of the qualifying owner's income multiplied by the highest tax rate for individuals under
4.16 section 290.06, subdivision 2c. When making this determination:

4.17 (1) nonbusiness deductions, standard deductions, or personal exemptions are not allowed;
4.18 and

4.19 (2) a credit or deduction is allowed only to the extent allowed to the qualifying owner.

4.20 (e) The amount of each credit and deduction used to determine a qualifying owner's tax
4.21 liability under paragraph (d) must also be used to determine that qualifying owner's income
4.22 tax liability under chapter 290.

4.23 (f) This subdivision does not negate the requirement that a qualifying owner pay estimated
4.24 tax if the qualifying owner's tax liability would exceed the requirements set forth in section
4.25 289A.25. The qualifying owner's liability to pay estimated tax on the qualifying owner's
4.26 tax liability as determined under paragraph (d) is, however, satisfied when the qualifying
4.27 entity pays estimated tax in the manner prescribed in section 289A.25 for composite estimated
4.28 tax.

4.29 (g) A qualifying owner's adjusted basis in the interest in the qualifying entity, and the
4.30 treatment of distributions, is determined as if the election to pay the pass-through entity tax
4.31 under paragraph (b) is not made.

5.1 (h) To the extent not inconsistent with this subdivision, for purposes of this chapter, a
5.2 pass-through entity tax return must be treated as a composite return and a qualifying entity
5.3 filing a pass-through entity tax return must be treated as a partnership filing a composite
5.4 return.

5.5 (i) The provisions of subdivision 17 apply to the election to pay the pass-through entity
5.6 tax under this subdivision.

5.7 (j) If a nonresident qualifying owner of a qualifying entity making the election to file
5.8 and pay the tax under this subdivision has no other Minnesota source income, filing of the
5.9 pass-through entity tax return is a return for purposes of subdivision 1, provided that the
5.10 nonresident qualifying owner must not have any Minnesota source income other than the
5.11 income from the qualifying entity, other electing qualifying entities, and other partnerships
5.12 electing to file a composite return under subdivision 7. If it is determined that the nonresident
5.13 qualifying owner has other Minnesota source income, the inclusion of the income and tax
5.14 liability for that owner under this provision will not constitute a return to satisfy the
5.15 requirements of subdivision 1. The tax paid for the qualifying owner as part of the
5.16 pass-through entity tax return is allowed as a payment of the tax by the qualifying owner
5.17 on the date on which the pass-through entity tax return payment was made.

5.18 (k) Once a credit is claimed by a qualifying owner under section 290.06, subdivision
5.19 40, the qualifying entity cannot receive a refund for tax paid under this subdivision for any
5.20 amounts claimed under that section by the qualifying owners. Once a credit is claimed under
5.21 section 290.06, subdivision 40, any refund must be claimed in conjunction with a return
5.22 filed by the qualifying owner.

5.23 **EFFECTIVE DATE.** (a) The amendment to paragraph (a), clause (1), is effective for
5.24 taxable years beginning after December 31, 2022.

5.25 (b) The amendment to paragraph (a), clause (2), and the amendment adding paragraph
5.26 (k), are effective retroactively for taxable years beginning after December 31, 2020.

5.27 Sec. 3. Minnesota Statutes 2022, section 289A.382, subdivision 2, is amended to read:

5.28 **Subd. 2. Reporting and payment requirements for partnerships and tiered**
5.29 **partners.** (a) Except for when an audited partnership makes the election in subdivision 3,
5.30 and except for negative federal adjustments required under federal law taken into account
5.31 by the partnership in the partnership return for the adjustment or other year, all final federal
5.32 adjustments of an audited partnership must comply with paragraph (b) and each direct

6.1 partner of the audited partnership, other than a tiered partner, must comply with paragraph
6.2 (c).

6.3 (b) No later than 90 days after the final determination date, the audited partnership must:

6.4 (1) file a completed federal adjustments report, including all partner-level information
6.5 required under section 289A.12, subdivision 3, with the commissioner;

6.6 (2) notify each of its direct partners of their distributive share of the final federal
6.7 adjustments;

6.8 (3) file an amended composite report for all direct partners who were included in a
6.9 composite return under section 289A.08, subdivision 7, in the reviewed year, and pay the
6.10 additional amount that would have been due had the federal adjustments been reported
6.11 properly as required; ~~and~~

6.12 (4) file amended withholding reports for all direct partners who were or should have
6.13 been subject to nonresident withholding under section 290.92, subdivision 4b, in the reviewed
6.14 year, and pay the additional amount that would have been due had the federal adjustments
6.15 been reported properly as required; and

6.16 (5) file an amended pass-through entity tax report for all direct partners who were
6.17 included in a pass-through entity tax return under section 289A.08, subdivision 7a, in the
6.18 reviewed year, and pay the additional amount that would have been due had the federal
6.19 adjustments been reported properly as required.

6.20 (c) No later than 180 days after the final determination date, each direct partner, other
6.21 than a tiered partner, that is subject to a tax administered under this chapter, other than the
6.22 sales tax, must:

6.23 (1) file a federal adjustments report reporting their distributive share of the adjustments
6.24 reported to them under paragraph (b), clause (2); and

6.25 (2) pay any additional amount of tax due as if the final federal adjustment had been
6.26 properly reported, plus any penalty and interest due under this chapter, and less any credit
6.27 for related amounts paid or withheld and remitted on behalf of the direct partner under
6.28 paragraph (b), clauses (3) and (4).

6.29 **EFFECTIVE DATE.** This section is effective retroactively for taxable years beginning
6.30 after December 31, 2020.

7.1 Sec. 4. Minnesota Statutes 2022, section 289A.50, is amended by adding a subdivision to
7.2 read:

7.3 Subd. 3a. **Nonresident withholding tax refunds.** When there is an overpayment of
7.4 nonresident withholding tax by a partnership or S corporation, a refund allowable under
7.5 this section to the payor is limited to the amount of the overpayment that was not deducted
7.6 and withheld from the shares of the payor's partners or shareholders.

7.7 **EFFECTIVE DATE.** This section is effective the day following final enactment.

7.8 Sec. 5. Minnesota Statutes 2022, section 290.01, subdivision 19, is amended to read:

7.9 Subd. 19. **Net income.** (a) For a trust or estate taxable under section 290.03, and a
7.10 corporation taxable under section 290.02, the term "net income" means the federal taxable
7.11 income, as defined in section 63 of the Internal Revenue Code of 1986, as amended through
7.12 the date named in this subdivision, incorporating the federal effective dates of changes to
7.13 the Internal Revenue Code and any elections made by the taxpayer in accordance with the
7.14 Internal Revenue Code in determining federal taxable income for federal income tax
7.15 purposes, and with the modifications provided in sections 290.0131 to 290.0136.

7.16 (b) For an individual, the term "net income" means federal adjusted gross income with
7.17 the modifications provided in sections 290.0131, 290.0132, and 290.0135 to 290.0137.

7.18 (c) In the case of a regulated investment company or a fund thereof, as defined in section
7.19 851(a) or 851(g) of the Internal Revenue Code, federal taxable income means investment
7.20 company taxable income as defined in section 852(b)(2) of the Internal Revenue Code,
7.21 except that:

7.22 (1) the exclusion of net capital gain provided in section 852(b)(2)(A) of the Internal
7.23 Revenue Code does not apply;

7.24 (2) the deduction for dividends paid under section 852(b)(2)(D) of the Internal Revenue
7.25 Code must be applied by allowing a deduction for capital gain dividends and exempt-interest
7.26 dividends as defined in sections 852(b)(3)(C) and 852(b)(5) of the Internal Revenue Code;
7.27 and

7.28 (3) the deduction for dividends paid must also be applied in the amount of any
7.29 undistributed capital gains which the regulated investment company elects to have treated
7.30 as provided in section 852(b)(3)(D) of the Internal Revenue Code.

8.1 (d) The net income of a real estate investment trust as defined and limited by section
8.2 856(a), (b), and (c) of the Internal Revenue Code means the real estate investment trust
8.3 taxable income as defined in section 857(b)(2) of the Internal Revenue Code.

8.4 (e) The net income of a designated settlement fund as defined in section 468B(d) of the
8.5 Internal Revenue Code means the gross income as defined in section 468B(b) of the Internal
8.6 Revenue Code.

8.7 (f) The Internal Revenue Code of 1986, as amended through December 31, 2018, applies
8.8 for taxable years beginning after December 31, 1996, except the sections of federal law in
8.9 section 290.0111 shall also apply.

8.10 (g) Except as otherwise provided, references to the Internal Revenue Code in this
8.11 subdivision and sections 290.0131 to 290.0136 mean the code in effect for purposes of
8.12 determining net income for the applicable year.

8.13 (h) In the case of a partnership electing to file a composite return under section 289A.08,
8.14 subdivision 7, income means the partner's share of federal adjusted gross income from the
8.15 partnership modified by the additions provided in section 290.0131, subdivisions 8 to 10,
8.16 16, and 17, and the subtractions provided in: (1) section 290.0132, subdivisions 9, 27, and
8.17 28, to the extent the amount is assignable or allocable to Minnesota under section 290.17;
8.18 and (2) section 290.0132, subdivision 14. The subtraction allowed under section 290.0132,
8.19 subdivision 9, is only allowed on the composite tax computation to the extent the electing
8.20 partner would have been allowed the subtraction.

8.21 (i) In the case of a qualifying entity electing to pay the pass-through entity tax under
8.22 section 289A.08, subdivision 7a, income means the qualifying owner's share of federal
8.23 adjusted gross income from the qualifying entity modified by the additions provided in
8.24 section 290.0131, subdivisions 5, 8 to 10, 16, and 17, and the subtractions provided in: (1)
8.25 section 290.0132, subdivisions 3, 9, 27, and 28, to the extent the amount is assignable or
8.26 allocable to Minnesota under section 290.17; and (2) section 290.0132, subdivision 14. The
8.27 subtraction allowed under section 290.0132, subdivision 9, is only allowed on the
8.28 pass-through entity tax computation to the extent the qualifying owners would have been
8.29 allowed the subtraction. The income of both a resident and nonresident qualifying owner
8.30 is allocated and assigned to this state as provided for nonresident partners and shareholders
8.31 under sections 290.17, 290.191, and 290.20.

8.32 **EFFECTIVE DATE.** This section is effective for taxable years beginning after December
8.33 31, 2022.

9.1 Sec. 6. Minnesota Statutes 2022, section 290.06, subdivision 22, is amended to read:

9.2 Subd. 22. **Credit for taxes paid to another state.** (a) A taxpayer who is liable for taxes
9.3 based on net income to another state, as provided in paragraphs (b) through (f), upon income
9.4 allocated or apportioned to Minnesota, is entitled to a credit for the tax paid to another state
9.5 if the tax is actually paid in the taxable year or a subsequent taxable year. A taxpayer who
9.6 is a resident of this state pursuant to section 290.01, subdivision 7, paragraph (b), and who
9.7 is subject to income tax as a resident in the state of the individual's domicile is not allowed
9.8 this credit unless the state of domicile does not allow a similar credit.

9.9 (b) For an individual, estate, or trust, the credit is determined by multiplying the tax
9.10 payable under this chapter by the ratio derived by dividing the income subject to tax in the
9.11 other state that is also subject to tax in Minnesota while a resident of Minnesota by the
9.12 taxpayer's federal adjusted gross income, as defined in section 62 of the Internal Revenue
9.13 Code, modified by the addition required by section 290.0131, subdivision 2, and the
9.14 subtraction allowed by section 290.0132, subdivision 2, to the extent the income is allocated
9.15 or assigned to Minnesota under sections 290.081 and 290.17.

9.16 (c) If the taxpayer is an athletic team that apportions all of its income under section
9.17 290.17, subdivision 5, the credit is determined by multiplying the tax payable under this
9.18 chapter by the ratio derived from dividing the total net income subject to tax in the other
9.19 state by the taxpayer's Minnesota taxable income.

9.20 (d)(1) The credit determined under paragraph (b) or (c) shall not exceed the amount of
9.21 tax so paid to the other state on the gross income earned within the other state subject to
9.22 tax under this chapter; and

9.23 (2) the allowance of the credit does not reduce the taxes paid under this chapter to an
9.24 amount less than what would be assessed if the gross income earned within the other state
9.25 were excluded from taxable net income.

9.26 (e) In the case of the tax assessed on a lump-sum distribution under section 290.032, the
9.27 credit allowed under paragraph (a) is the tax assessed by the other state on the lump-sum
9.28 distribution that is also subject to tax under section 290.032, and shall not exceed the tax
9.29 assessed under section 290.032. To the extent the total lump-sum distribution defined in
9.30 section 290.032, subdivision 1, includes lump-sum distributions received in prior years or
9.31 is all or in part an annuity contract, the reduction to the tax on the lump-sum distribution
9.32 allowed under section 290.032, subdivision 2, includes tax paid to another state that is
9.33 properly apportioned to that distribution.

10.1 (f) If a Minnesota resident reported an item of income to Minnesota and is assessed tax
10.2 in such other state on that same income after the Minnesota statute of limitations has expired,
10.3 the taxpayer shall receive a credit for that year under paragraph (a), notwithstanding any
10.4 statute of limitations to the contrary. The claim for the credit must be submitted within one
10.5 year from the date the taxes were paid to the other state. The taxpayer must submit sufficient
10.6 proof to show entitlement to a credit.

10.7 (g) For the purposes of this subdivision, a resident shareholder of a corporation treated
10.8 as an "S" corporation under section 290.9725, must be considered to have paid a tax imposed
10.9 on the shareholder in an amount equal to the shareholder's pro rata share of any net income
10.10 tax paid by the S corporation to another state. For the purposes of the preceding sentence,
10.11 the term "net income tax" means any tax imposed on or measured by a corporation's net
10.12 income.

10.13 (h) For the purposes of this subdivision, a resident partner of an entity taxed as a
10.14 partnership under the Internal Revenue Code must be considered to have paid a tax imposed
10.15 on the partner in an amount equal to the partner's pro rata share of any net income tax paid
10.16 by the partnership to another state. For purposes of the preceding sentence, the term "net
10.17 income" tax means any tax imposed on or measured by a partnership's net income. For
10.18 purposes of this paragraph, "partnership" includes a limited liability company and "partner"
10.19 includes a member of a limited liability company.

10.20 (i) For the purposes of this subdivision, "another state":

10.21 (1) includes:

10.22 (i) the District of Columbia; and

10.23 (ii) a province or territory of Canada; but

10.24 (2) excludes Puerto Rico and the several territories organized by Congress.

10.25 (j) The limitations on the credit in paragraphs (b), (c), and (d), are imposed on a state
10.26 by state basis.

10.27 (k) For a tax imposed by a province or territory of Canada, the tax for purposes of this
10.28 subdivision is the excess of the tax over the amount of the foreign tax credit allowed under
10.29 section 27 of the Internal Revenue Code. In determining the amount of the foreign tax credit
10.30 allowed, the net income taxes imposed by Canada on the income are deducted first. Any
10.31 remaining amount of the allowable foreign tax credit reduces the provincial or territorial
10.32 tax that qualifies for the credit under this subdivision.

11.1 (1)(1) The credit allowed to a qualifying individual under this section for tax paid to a
11.2 qualifying state equals the credit calculated under paragraphs (b) and (d), plus the amount
11.3 calculated by multiplying:

11.4 (i) the difference between the preliminary credit and the credit calculated under paragraphs
11.5 (b) and (d), by

11.6 (ii) the ratio derived by dividing the income subject to tax in the qualifying state that

 23.19 or exams of the firefighters' relief associations.

23.20 (b) The total amount available for apportionment must not be less than two percent of

 24.25 commissioner under section 477B.02, subdivision 5, the distribution must be adjusted

26.1 municipality or independent nonprofit firefighting corporation covered by the statewide
 26.2 plan as certified by the executive director of the Public Employees Retirement Association
