**Bill Description**

The bill adds Juneteenth, which occurs on June 19, to the list of holidays under Minnesota Statutes section 645.44, subdivision 5. Section 645.44, subdivision 5, prohibits public business from being transacted on a holiday except in cases of necessity and except in cases of public business transacted by the legislature.

**Assumptions**

This bill is assumed to have no fiscal impact. Section 645.44, subdivision 5, does not entitle state agency employees to paid holidays or to overtime in instances where an employee must work on a listed holiday. Instead, it generally prohibits public business from occurring on these dates, meaning state offices are closed to the public. State agencies may need to dedicate administrative effort toward communicating this new holiday to the public and other customers, but these costs are assumed to be nominal.

The provision of paid holidays, and the terms governing overtime or additional compensation for hours worked on holidays, are bargained in collective bargaining agreements (CBAs) or established in compensation plans. MMB has negotiated several CBAs for the 2021-2023 period that establish Juneteenth as a paid holiday. They have been approved by the Subcommittee on Employee Relations and have gone into effect. These CBAs have been submitted to the legislature for ratification.

**Bill Description**

The bill amends MS 645.44 to add Juneteenth as a state holiday. MS 645.44, Subd 5 prohibits public business from being transacted on a holiday except in cases of necessity and except in cases of public business transacted by the legislature.

**Assumptions**

1. The Legislative Plan for Employee Benefits applies to the employees of the House, Senate, LCC and employees of the OLA that serve in unclassified civil service. The accrual benefits for OLA employees that serve in classified positions are governed by either the Commissioner’s Plan or Managerial Plan.
2. The Legislative Plan for Employee Benefits would be amended to add Juneteenth as a paid holiday. Any nominal cost to amend the plan would be absorbed.
3. Changes to the Commissioner’s Plan or Managerial Plan will be addressed in the Minnesota Management and Budget fiscal note.
4. The Senate, OLA and LCC use the state timecard system. Any nominal cost for an adjustment to the state timecard system for adding the additional holiday would be stated in the fiscal note for Minnesota Management and Budget.
5. The House uses an independent timecard system. Any cost associated for adjustment to that system for adding the additional holiday will be nominal and absorbed.
6. We assume that no legislative employee will need to work on Juneteenth and be provided alternative paid holiday accrual leave.
7. Since the day would be a paid day for legislative staff regardless, there is no new cost for the addition of Juneteenth as a paid holiday.

**Bill Description**

HF3910-0 amends Minn. Stat. § 645.44, subd. 5, to add Juneteenth, June 19, in the definition of “Holiday”. Minn. Stat. § 645.44, subd. 5, prohibits public business from being transacted on a holiday except in cases of necessity and except in cases of public business transacted by the legislature.

**Assumptions**

The judicial branch will not be open for public business on the Juneteenth holiday.

Collective bargaining agreements and Judicial Branch Human Resource Rules will be updated to add Juneteenth as a paid holiday. Any nominal costs to amend the collective bargaining agreements and the Judicial Branch Human Resource Rules will be absorbed.

It is assumed that no judicial branch employees will need to work on Juneteenth or will be provided an alternative paid holiday if they do need to work.

Since the day would be a paid day for judicial branch staff regardless, there is no new cost for the addition of Juneteenth as a paid holiday.
