

1.1 moves to amend H.F. No. 3431, the delete everything amendment
1.2 (H3431DE4), as follows:

1.3 Page 16, delete section 16 and insert:

1.4 "**Sec. 16. [16A.6301] CAPITAL INVESTMENT; LEGISLATIVE INTENT.**

1.5 It is the intent of the legislature that an appropriation or grant of state money for a capital
1.6 project subject to section 16A.642, 16A.695, or 16A.86, may be used only for predesign,
1.7 design, construction, renovation, equipping, or furnishing of a capital asset owned by the
1.8 state or a political subdivision that is essential public infrastructure, including, but not limited
1.9 to, drinking water infrastructure, wastewater infrastructure, stormwater infrastructure, road
1.10 and bridge improvements, asset preservation, and any other public infrastructure that
1.11 preserves and protects the health, safety, and welfare of the public and previous investments
1.12 in public infrastructure. "Essential public infrastructure" does not include capital projects
1.13 for recreational use, including, but not limited to, community centers, ice arenas, aquatic
1.14 centers, playgrounds, and other capital projects that promote community fitness and social
1.15 cohesion.

1.16 **EFFECTIVE DATE.** This section is effective the day following final enactment."

1.17 Amend the title accordingly
