

BLWG #	Proposal	Sec.	Statute	Effective Date	Description	Committee Stops
CF-72	6-month Reporting and Prospective Budgeting	1	119B.011 sub. 15	March 1, 2023	Adds the definition of nonrecurring income to the CCAP income definition since this definition is being removed from the MFIP statute and the 256P uniformity statute. This maintains current practice for CCAP.	Early Childhood
CF-72	6-month Reporting and Prospective Budgeting	2	119B.025 subd. 4	March 1, 2023	Clarifies that the cross-reference for reporting requirements for families participating in CCAP as 256P.07, subd. 6 in the uniformity statute. These reporting requirements do not change from current practice for CCAP.	Early Childhood
CF-72	6-month Reporting and Prospective Budgeting	3	256D.03	March 1, 2023	Adds a subdivision to the "Responsibility to Provide General Assistance" section that covers income calculations, reporting, and budgeting for general assistance.	Human Services Finance and Policy
CF-75	SNAP Employment & Training	4	256D.051	August 1, 2021	Authorizes DHS to operate a SNAP E&T program according to federal regulations. Clarifies that DHS operates a voluntary SNAP E&T program for SNAP recipients. Clarifies that SNAP recipients subject to a time limit must participate in SNAP E&T or meet federal work requirements to continue to receive SNAP benefits. Gives DHS permission to contract with third-party providers in addition to county and tribal agencies for SNAP T&T services.	Human Services Finance and Policy
CF-75	SNAP Employment & Training	5	256D.051	August 1, 2021	Requires county and tribal agencies that administer SNAP to inform SNAP recipients about E&T services and providers. Gives county or tribal agencies that administer SNAP the option to subcontract with a public or private entity to provide SNAP E&T services.	Human Services Finance and Policy
CF-75	SNAP Employment & Training	6	256D.051	August 1, 2021	Requires DHS to: 1. Supervise SNAP E&T services to county, tribal, and contracted agencies according to federal regulations. 2. Disburse SNAP E&T money for SNAP E&T to county, tribal, and contracted agencies. 3. Accept and supervise the disbursement of funds from the federal government or other sources for SNAP E&T. 4. Cooperate with other agencies concerning SNAP E&T 5. Coordinate with DEED to deliver E&T services statewide. 6. Work in partnership with counties, tribes, and other agencies to enhance the reach and services of a statewide SNAP E&T program. 7. Identify eligible non-federal funds to earn federal reimbursement for SNAP E&T.	Human Services Finance and Policy
CF-75	SNAP Employment & Training	7	256D.051	August 1, 2021	Requires nonexempt SNAP recipients to meet federal SNAP work requirements unless they reside in an area covered by a time-limit waiver.	Human Services Finance and Policy
CF-75	SNAP Employment & Training	8	256D.051	August 1, 2021	This section details the SNAP E&T program funding. (a) USDA annually allocates SNAP E&T funding to DHS. (b) USDA also authorizes SNAP E&T reimbursement funding to DHS. (c) Except for funds allocated for state program development and administrative purposes or designated by USDA for a specific project, the SNAP E&T allocation from USDA is disbursed to counties and tribes that administer SNAP based on the number of SNAP recipients in each county or tribe. (d) Federal funds received as reimbursement for SNAP E&T services (eligible non-federal funds) must be paid to the agency that incurred the costs. (e) DHS may reallocate unexpended money disbursed to agencies that demonstrate a need for additional funds.	Human Services Finance and Policy
CF-72	6-Month Reporting & Prospective Budgeting	9	256D.0516, subd. 2	March 1, 2023	Removes language that prohibits MFIP households from aligning with SNAP reporting requirements that state that "households required to report periodically shall not be required to report more often than one time every six months."	Human Services Finance and Policy
CF-52	Community Action Formula Change	10	256E.30, subd. 2	July 1, 2021	Removes the lowest tier of base funding (\$25,000 per year) in the Community Action Agency statute so that all Community Action grantees receive a minimum of \$50,000 per year in base funding.	Human Services Finance and Policy
CF-51	Food Shelf and Emergency Assistance Funding Authority for Tribes	11	256E.34, subd. 1	July 1, 2021	Adds "federally recognized tribal nation" to the list of organizations that qualify for state food shelf funding in the food shelf statute.	Human Services Finance and Policy

CF-72	6-Month Reporting & Prospective Budgeting	12	256I.03, subd. 13	March 1, 2023	Amends the definition of “prospective budgeting” in the housing support statute to be consistent with the definition in the uniformity statute (256P.01, subd. 9), that states “Prospective budgeting means estimating the amount of monthly income that an assistance unit will have in the payment month.” This is the definition that will be shared by housing support, general assistance, and MFIP.	Human Services Finance and Policy
CF-72	6-Month Reporting & Prospective Budgeting	13	256I.06, subd. 6	March 1, 2023	Amends the reporting statute for housing support to align it with the reporting requirements in the uniformity statute (256P.07). It also aligns the housing support statute with the 6-month reporting requirements in the new 6-month reporting uniformity statute (256P.10).	Human Services Finance and Policy
CF-72	6-Month Reporting & Prospective Budgeting	14	256I.06, subd. 8	March 1, 2023	Removes language from the housing support statute about who is subject to six month reporting. This information is now located in the new 6-month reporting uniformity statute (256P.10). Under 256P.10, all housing support households with earned income of \$100 per month or greater, except housing support households that receive SSI, are subject to 6-month reporting. Removes language about when an increase in income or a decrease in income is effective for housing support households. These circumstances are covered in the new prospective reporting of benefits uniformity statute (256P.09) and are as follows: “An increase in income shall not affect an assistance unit's eligibility or benefit amount until the next case review unless otherwise required by section 256P.07. A decrease in income shall be effective on the date that the change occurs.”	Human Services Finance and Policy
CF-72	6-Month Reporting & Prospective Budgeting	15	256J.08, subd. 71	March 1, 2023	Amends the definition of “prospective budgeting” in the MFIP statute to be consistent with the definition in the uniformity statute (256P.01, subd. 9), that states “Prospective budgeting means estimating the amount of monthly income that an assistance unit will have in the payment month.” This is the definition that will be shared by housing support, general assistance, and MFIP.	Human Services Finance and Policy
CF-72	6-Month Reporting & Prospective Budgeting	16	256J.08, subd. 79	March 1, 2023	Amends the definition for “recurring income” in the MFIP statute to remove references to “retrospective budgeting” since this form of budgeting will no longer be used under this proposal.	Human Services Finance and Policy
CF-72	6-Month Reporting & Prospective Budgeting	17	256J.21, subd. 2	March 1, 2023	Amends the exclusion of “nonrecurring cash gifts” in the MFIP statute on income exclusions to exclude all “nonrecurring cash gifts” rather than just excluding “nonrecurring cash gifts of \$30 or less, not exceeding \$30 per participant in a calendar month.”	Human Services Finance and Policy
CF-72	6-Month Reporting & Prospective Budgeting	18	256J.21, subd. 3	March 1, 2023	Clarifies the cross reference to MFIP family wage level as 256J.24, subd. 7 in the MFIP statute. Clarifies that the initial income test for MFIP is for a six month period and that the MFIP assistance payment will be based on prospective budgeting as outlined in the new prospective reporting of benefits uniformity statute (256P.09).	Human Services Finance and Policy
CF-72	6-Month Reporting & Prospective Budgeting	19	256J.21, subd. 4	March 1, 2023	Removes references to a “monthly income test” in the MFIP statute and aligns MFIP eligibility with prospective budgeting. Removes a section of MFIP statute that requires local agencies to suspend MFIP assistance payments when a household’s monthly income is greater than the MFIP transitional standard. This provision will no longer apply under 6-month reporting since local agencies won’t be reviewing income on a monthly basis and MFIP households will be able to earn more income during the 6-month reporting period without being required to report it until their 6-month case review.	Human Services Finance and Policy

CF-72	6-Month Reporting & Prospective Budgeting	20	256J.33, subd. 1	March 1, 2023	<p>Removes references to “payment month”, “in a calendar month”, and “retrospective budgeting” in the MFIP statute on determination of eligibility and replaces “retrospective” with “prospective” since MFIP will no longer be using retrospective budgeting and MFIP eligibility will be calculated for a 6-month period rather than on a monthly basis under this proposal.</p> <p>Adds a reference to 256P.06 (the uniformity statute on income calculations) when determining MFIP eligibility and the assistance payment amount.</p> <p>Removes a reference to section of MFIP statute on treatment of lump sums (256J.37, subd. 10) since that subdivision is being removed as a result of this proposal. Lump sums will be treated as assets rather than income (same as SNAP).</p> <p>Clarifies that an MFIP assistance unit is not eligible when their countable income equals or exceeds the MFIP standard of need or the family wage level for the assistance unit.</p>	Human Services Finance and Policy
CF-72	6-Month Reporting & Prospective Budgeting	21	256J.33, subd. 2	March 1, 2023	Removes references to “month” and “retrospective budgeting” in the MFIP statute on prospective eligibility and replaces “retrospective” with “prospective” since MFIP will no longer be using retrospective budgeting and MFIP eligibility will be calculated for a 6-month period rather than on a monthly basis under this proposal.	Human Services Finance and Policy
CF-72	6-Month Reporting & Prospective Budgeting	22	256J.37, subd. 3	March 1, 2023	Removes reference to “monthly” in the MFIP statute on earned income of wage, salary, and contractual employees since the income test will be calculated for a 6-month period rather than on a monthly basis under this proposal.	Human Services Finance and Policy
CF-72	6-Month Reporting & Prospective Budgeting	23	256J.37, subd. 3a	March 1, 2023	Amends the reference to the section of statute that will budget the value of HUD subsidies received by MFIP households to 256P.09 (new prospective reporting of benefits uniformity statute).	Human Services Finance and Policy
CF-51	Food Shelf and Emergency Assistance Funding Authority for Tribes	24	256J.626, subd. 1	July 1, 2021	Amends the MFIP consolidated fund statute to clarify that tribal nations administering eligibility for MFIP can use the MFIP consolidated fund for Emergency Assistance payments to families in crisis. This is current practice.	Human Services Finance and Policy
CF-47	Federal Compliance Northstar	25	256N.25, subd. 2	July 1, 2021	Removes reference to income offsets automatically reducing monthly Northstar payments in the negotiation of a Northstar adoption or kinship assistance benefit agreement.	Human Services Finance and Policy
CF-47	Federal Compliance Northstar	26	256N.25, subd. 3	July 1, 2021	Removes requirement to renegotiate Northstar adoption or kinship assistance benefit agreements based on child’s receipt of one or more of four federal benefits.	Human Services Finance and Policy
CF-47	Federal Compliance Northstar	27	256N.26, subd. 11	July 1, 2021	Removes requirement that a child’s income and resources be considered when negotiating Northstar adoption or kinship assistance benefit agreements. Removes language related to income received on behalf of a child impacting monthly Northstar adoption or kinship assistance payments. (Federal compliance issue)	Human Services Finance and Policy
CF-47	Federal Compliance Northstar	28	256N.26, subd. 13	July 1, 2021	Removes requirement that a child’s monthly Northstar adoption or kinship assistance payment be automatically reduced if they receive one or more of four federal benefits. (Federal compliance issue)	Human Services Finance and Policy
CF-72	6-Month Reporting & Prospective Budgeting	29	256P.01	March 1, 2023	Adds a subdivision with the definition of “prospective budgeting” to the uniformity statute definitions. This is the definition that will be shared by housing support, general assistance, and MFIP.	Human Services Finance and Policy
CF-72	6-Month Reporting & Prospective Budgeting	30	256P.04, subd. 4	March 1, 2023	Removes “nonrecurring income” from the list of items that need to be verified at application. Programs using prospective budgeting will not ask people to report nonrecurring income. If it is a significant amount, it will show up as an asset and will count if it puts an assistance unit over the asset limit.	Human Services Finance and Policy

CF-72	6-Month Reporting & Prospective Budgeting	31	256P.04, subd. 8	Day after enactment	Removes the interview requirement for the annual recertification of eligibility. Aligns verification requirements for 6-month reporting with the recertification verification requirements. This is the only section of the 6-month reporting & prospective budgeting proposal that is effective the day following final enactment (all other sections related to 6-month reporting & prospective budgeting are effective March 1, 2023).	Human Services Finance and Policy
CF-72	6-Month Reporting & Prospective Budgeting	32	256P.06, subd. 3	March 1, 2023	Clarifies that the threshold for cash prizes and winnings is based on the guidance provided for SNAP. Removes "nonrecurring income" from the list of income sources that must be included in determining the income of an assistance unit. Programs using prospective budgeting will not ask people to report nonrecurring income. If it is a significant amount, it will show up as an asset and will count if it puts an assistance unit over the asset limit.	Human Services Finance and Policy
CF-74	UI Exemption for High School Students	32	256P.06, subd. 3	Day after enactment	Clarifies that unemployment insurance (UI) should not be included in determining the income of an assistance unit if the UI is from someone who is 18 years of age and enrolled in a secondary school; or someone who is 18 or 19 years of age, a caregiver, and is enrolled in school at least half-time. This change is being made because DEED is proposing to allow high school students to receive UI. Earned income from high school students is currently not included in determining the income of an assistance unit.	Human Services Finance and Policy
CF-72	6-Month Reporting & Prospective Budgeting	33	256P.07, subd 1	March 1, 2023	Clarifies that participants that receive SSI and qualify for MSA or housing support are exempt from reporting income.	Human Services Finance and Policy
CF-72	6-Month Reporting & Prospective Budgeting	33	256P.07, subd 1a	March 1, 2023	CCAP participants are exempt from the entire section except for the CCAP-specific reporting requirements. This maintains current practice for CCAP.	Human Services Finance and Policy
CF-72	6-Month Reporting & Prospective Budgeting	33	256P.07, subd 2	March 1, 2023	Clarifies that all program participants (except CCAP) must report changes during the application period or by the tenth of the month following the month the change occurred.	Human Services Finance and Policy
CF-72	6-Month Reporting & Prospective Budgeting	33	256P.07, subd 3	March 1, 2023	Defines what circumstances must be reported when they change. This list is being pared down from 12 to 7. Items that have been removed from the list of change report items that apply to all programs (except CCAP): A change in earned income of \$100 per month or greater, A change in unearned income of \$100 per month or greater, A change in employment status and hours Receipt of a lump sum payment, A new rent subsidy or a change in rent subsidy The new list based on this proposal: A change in eligibility for Supplemental Security Income, Retirement Survivors Disability Insurance, or another federal income support, A change in address or residence, A change in household composition Cash prizes and winnings, A change in citizenship or immigration status, A change in family status Assets when the value is at or above the asset limit, A sale, purchase, or transfer of real property	Human Services Finance and Policy
CF-72	6-Month Reporting & Prospective Budgeting	33	256P.07, subd 4	March 1, 2023	Adds "an individual who is 18 or 19 years of age attending high school who graduates or drops out of school" to the list of MFIP-specific change reporting items. MFIP needs to know this because it would change the family composition and may make the family ineligible if they do not have any other children	Human Services Finance and Policy
CF-72	6-Month Reporting & Prospective Budgeting	33	256P.07, subd 6	March 1, 2023	Maintains CCAP-specific reporting items. This maintains current practice for CCAP	Human Services Finance and Policy
CF-72	6-Month Reporting & Prospective Budgeting	33	256P.07, subd 7	March 1, 2023	Maintains MSA-specific reporting items. This maintains current practice for MSA.	Human Services Finance and Policy

CF-72	6-Month Reporting & Prospective Budgeting	33	256P.07, subd 8	March 1, 2023	Adds housing support-specific reporting items. Requires housing support households to report a change in unearned income of \$50 or greater (unless exempt from reporting income). Requires housing support households to report a change in earned income of \$100 per month or greater unless they are subject to 6-month reporting (unless exempt from reporting income). Maintains the following change reporting requirements for housing support households, including those that receive SSI: A new rent subsidy or a change in rent subsidy, A change in the disability status of a unit member, A change in household composition if the household is part of the metro demo program	Human Services Finance and Policy
CF-72	6-Month Reporting & Prospective Budgeting	33	256P.07, subd 9	March 1, 2023	Adds general assistance-specific reporting items. Requires GA households to report a change in unearned income of \$50 or greater. Requires GA households to report a change in earned income of \$100 per month or greater unless they are subject to 6-month reporting. Requires GA households to report any condition that would result in the loss of a basis of eligibility for GA.	Human Services Finance and Policy
CF-72	6-Month Reporting & Prospective Budgeting	34	256P.09, subd 1	March 1, 2023	Adds new prospective budgeting of benefits section to the uniformity statute. Programs that are exempt from this section: CCAP, Housing support households with less than \$100 in earned income, MSA	Human Services Finance and Policy
CF-72	6-Month Reporting & Prospective Budgeting	34	256P.09, subd 2	March 1, 2023	Requires agencies to use prospective budgeting to calculate an assistance payment amount.	Human Services Finance and Policy
CF-72	6-Month Reporting & Prospective Budgeting	34	256P.09, subd 3	March 1, 2023	Requires prospective budgeting to determine the amount of the assistance unit's benefit for the following six-month period. An increase in income will not affect an assistance unit's eligibility or benefit amount until the next case review unless otherwise required by section 256P.07. A decrease in income shall be effective on the date that the change occurs.	Human Services Finance and Policy
CF-72	6-Month Reporting & Prospective Budgeting	35	256P.10, subd 1	March 1, 2023	Adds new 6-month reporting section to the uniformity statute. Programs that are exempt from this section: CCAP, MSA, Housing support households who also receive SSI	Human Services Finance and Policy
CF-72	6-Month Reporting & Prospective Budgeting	35	256P.10, subd 2	March 1, 2023	Requires all MFIP households, GA households with earned income of \$100 or greater per month, and housing support households with earned income of \$100 or greater per month to report every 6 months. MFIP and GA households must complete a household report form every 6 months for redetermination of benefits. Housing support households must complete a household report form every 6 months to provide information about earned income. Households that receive housing support and MFIP will follow the MFIP reporting rules. Households must submit a household report form in compliance with the provisions already established in section 256P.04, subdivision 11. Households may choose to report changes under this section at any time. This is especially important if someone loses a job or has a significant drop in income in the middle of the 6-month reporting period.	Human Services Finance and Policy
CF-72	6-Month Reporting & Prospective Budgeting	35	256P.10, subd 3	March 1, 2023	Outlines the rules about when an agency must terminate assistance.	Human Services Finance and Policy
CF-75	CF-75 SNAP Employment & Training	36	Repealer	August 1, 2021	Repeals current SNAP E&T statutes (256D.051) and a section of statute that requires county agencies to provide transportation to SNAP E&T participants to participate in literacy training (256D.052). Transportation cannot be funded with funds from the federal allocation as the current statute indicates. SNAP E&T providers can use SNAP E&T reimbursement funds for participant support services (e.g. transportation, dependent care, equipment and supplies related to training, books, uniforms, licensing fees, etc.). Use of the SNAP E&T reimbursement funds for these purposes is encouraged.	Human Services Finance and Policy

CF-72	6-Month Reporting & Prospective Budgeting	36	Repealer	March 1, 2023	<p>256J.08, subd. 10 – Repeals MFIP definition of “budget month.” This definition is not required for prospective budgeting. 256J.08, subd. 53 – Repeals MFIP definition of “lump sum.” Lump sums will be treated as assets rather than income (same as SNAP). 256J.08, subd. 61 – Repeals MFIP definition of “monthly income test.” This definition is not required for 6-month reporting. 256J.08, subd. 62 – Repeals MFIP definition of “nonrecurring income.” This definition is not required for 6-month reporting. 256J.08, subd. 81 – Repeals MFIP definition of “retrospective budgeting.” This definition is not required for prospective budgeting. 256J.08, subd. 83 – Repeals MFIP definition of “significant change.” This definition is not required for 6-month reporting since households will be able to report changes in income at any time. 256J.30, subd. 5 – Repeals subdivision of MFIP statute on “monthly MFIP household reports.” Monthly household reports will not be required under 6-month reporting. 256J.30, subd. 7 – Repeals subdivision of MFIP statute on “due date of MFIP household report form.” Monthly household reports will not be required under 6-month reporting. For 6-month reporting, households must submit a household report form in compliance with the provisions already established in section 256P.04, subdivision 11. 256J.30, subd. 8 – Repeals subdivision of MFIP statute on “late MFIP household report forms.” Monthly household reports will not be required under 6-month reporting. For 6-month reporting, households must submit a household report form in compliance with the provisions already established in section 256P.04, subdivision 11. 256J.33, subd. 3 – Repeals subdivision of MFIP statute on “retrospective eligibility.” This subdivision is not required for prospective budgeting. 256J.33, subd. 4 – Repeals subdivision of MFIP statute on “monthly income test.” This subdivision is not required for 6-month reporting.</p>	Human Services Finance and Policy
CF-72	6-Month Reporting & Prospective Budgeting	36	Repealer	March 1, 2023	<p>256J.33, subd. 5 – Repeals subdivision of MFIP statute on “when to terminate assistance.” This subdivision has been added to 256P.10, subd. 3. 256J.34, subd. 1 – Repeals subdivision of MFIP statute on “prospective budgeting.” This has been added to 256P.09. 256J.34, subd. 2 – Repeals subdivision of MFIP statute on “retrospective budgeting.” This subdivision is not required for prospective budgeting. 256J.34, subd. 3 – Repeals subdivision of MFIP statute on “additional uses of retrospective budgeting.” This subdivision is not required for prospective budgeting. 256J.34, subd. 4 – Repeals MFIP subdivision on “significant change in gross income.” This subdivision is not required for 6-month reporting since households will be able to report changes in income at any time. 256J.37, subd. 10 – Repeals MFIP subdivision on “treatment of lump sums.” Lump sums will be treated as assets rather than income (same as SNAP).</p>
