

1.1 moves to amend H.F. No. 1524, the delete everything amendment
1.2 (H1524DE2), as follows:

1.3 Page 27, after line 16, insert:

1.4 "Subd. 6. Chronic wasting disease. An individual processing wild game under this
1.5 section must:

1.6 (1) ensure that each white-tailed deer processed by the individual and harvested from a
1.7 chronic wasting disease management zone established by the commissioner of natural
1.8 resources is tested for chronic wasting disease; and

1.9 (2) dispose of the carcass of each white-tailed deer under clause (1) through a chronic
1.10 wasting disease adopt-a-dumpster program administered by the commissioner of natural
1.11 resources."
