Praise for

Safe at Home

Minnesota's Address Confidentiality Program

“My children are thriving and are finally able to be stable.”

“This program has given my family and I our life back. My abuser has not been able to find us due to this program.”

“The program has changed my life. I feel like I can lead a semi-normal life again, and my daughter is safe.”

“Although the person that attacked me has tried to find me, he has not been successful due to Safe at Home. Thank you so much for this program.”

“Our ‘public information’-based society makes it impossible to get away from abusive partners without a program like Safe at Home.”
