## Overview

Girls in Action is a program that seeks to motivate, mentor, empower, engage, and educate girls from underserved communities.

H.F. 1997 appropriates \$1,500,000 to sustain and expand Girls in Action programs in Minnesota.

## Summary

Section	Description
---------	-------------

1	<b>Appropriation; Girls in Action program.</b>
---	--

Appropriates \$1,500,000 in fiscal year 2022 from the general fund to the Department of Education for a grant to the Girls in Action program.

Requires \$1,000,000 of the funds to be used to sustain 16 current sites and to expand the sites by four, by implementing new programs in inner ring suburban communities.

Requires \$500,000 of the funding to sustain three community based programs for Asian, East African, and Latina girls in Hennepin, Ramsey, and Dakota Counties, and to implement two new programs for Native American girls and African-American girls.

Makes the appropriation available until June 30, 2024.
