Written Testimony in support of HF 3853

Members of the legislature,

As a former youth organizer, I am strongly supportive of HF 3853. We have a unique and historic opportunity to demonstrate the value of youth voice and experiences in shaping public policy. The Minnesota Youth Advisory Council will help foster the next generation of civically-engaged residents across the state. It's an investment that will pay dividends for future community-based governance in Minnesota.

Sincerely,

Ryan Perez
