- 1 Membership.** Amends the statute on membership qualifications for the Campaign Finance and Public Disclosure Board. Prior law assumed a two party system and provided for two board members who are former legislators, one from the governor's political party and one not from the governor's political party. There being no legislators of the same political party as the present governor, the statute was unworkable. The act provides for the board to include two members who are former legislators and not of the same political party.
