Overview

This act postpones for one additional year the listing of Carisoprodol as a schedule IV controlled substance.

Section

- 1 **Effective date; 1997 session law.** In 1997, the legislature decided to list Carisoprodol as a schedule IV controlled substance, effective August 1, 1998. That law has been amended twice since 1997, and the effective date of the 1997 change currently is August 1, 2000. This act postpones the current effective date for an additional year - to August 1, 2001.
- 2 **Effective date.** Makes the act effective August 1, 2000.
