Overview

This act would require graduates of foreign medical schools applying to the Board of Medical Practice for a license to use a specified credentials verification service.

- 1 **Physician application fee.** Amends § 147.01, by adding a subd. Permits the board to charge an application fee of \$200. (This fee was previously established in rules.)
- 2 **Requirements.** Amends § 147.037, subd. 1. Requires graduates of foreign medical schools applying to the Board of Medical Practice for licensure to use a specified credentials verification service, if a specified association has not approved the medical or osteopathic program from which the applicant graduated. Applicants must also pay a fee to the board.
