## Overview

This act requires the Commissioner of Labor and Industry to provide information regarding federal exclusions from state workers' compensation coverage.

- 1 Workers' compensation exclusion information.** Directs the commissioner of labor and industry to provide information to medical care providers, employers, employees, insurers, and other individuals and organization that are involved in the state workers' compensation system regarding federal exclusions from state workers' compensation coverage.
- 2 Report.** Requires the commissioner to submit a report by March 1, 2008, to the legislative committees with jurisdiction over workers' compensation detailing the department's dissemination of information.
- 3 Effective date.** Effective the day following final enactment.
