This act makes a couple of changes related to deputy registrars. First, it eliminates a January 1, 2012, sunset for a private corporation to be able to be appointed as a deputy registrar to handle motor vehicle registration and titling transactions, and makes conforming changes.

Second, it allows for a nonprofit corporation to serve as a deputy registrar.

Third, it requires the Department of Public Safety to permit the move of a deputy registrar location in Burnsville. The deputy registrar move provision is effective following approval by Dakota County.
