Hennepin County was given the opportunity to fix a clerical error in approving a law enacted for the county in Laws 2009, chapter 50, sections 1 and 2. The county failed to file the certificate of local approval with the secretary of state by December 31, 2010, as required by Minnesota Statutes, section 645.021. Under the 2015 law, the actions of the county pursuant to the 2009 law are effective retroactively if the county files the certificate of local approval with the secretary of state by June 30, 2015. The 2009 law allowed the county to streamline its human resources policies

This act is effective May 2, 2015.
