In 2014, the District One Hospital District in Faribault was authorized to sell the district property at private sale without advertising for bids, notwithstanding a 1963 special law prohibiting any sale. Once the sale is concluded and all outstanding debt is able to be paid, each city and town in the district must petition the hospital board for dissolution under the general law governing hospital districts. Once the petition for dissolution is filed, the special laws establishing and governing the hospital district are repealed. Laws 2014, ch. 183.

During the transition period, the hospital district sought, and in this law received, authority to reduce the required number of board meetings from at least once a month to at least twice a year.

This act amends Laws 1963, ch. 118, § 4, as amended by laws 1996, ch. 471, art. 8, § 21, effective May 15, 2015.
