Overview

This act modifies the definition of “service contract” and provides a definition for “road hazard.”

Section

- 1 Service contract.** Provides that a “service contract” includes a contract for the repair or replacement of tires and wheels on a motor vehicle needed as a result of a road hazard, the removal of dents on a motor vehicle, repair or replacement of the windshield of a motor vehicle needed as a result of a road hazard, and replacement of the key or key fobs for a motor vehicle, and other services approved by the commissioner of commerce.
- 2 Road hazard.** Defines “road hazard” as a danger encountered while driving a motor vehicle, including, but not limited to, potholes, rocks, weed debris, metal parts, glass, plastic, curbs, or composite scraps.
