Provides a September 30, 2019, effective date for paragraphs (a) and (b) and an October 1, 2019, effective date for paragraph (c).</p>

Article 3: Direct Care and Treatment

This article includes provisions related to discharge from direct care and treatment facilities and county shares for the cost of care for individuals in direct care and treatment facilities and programs.

Section	Description – Article 3: Direct Care and Treatment
1	<p>Administrative review of county liability for cost of care.</p> <p>Amends § 246.54 by adding subd. 3.</p> <p>Establishes a process for a county to request an administrative review of the county share of the cost of care when a delay in discharging a client from a direct care and treatment facility is caused by specific actions or inaction by the facility.</p>
2	<p>Liability of county; reimbursement.</p> <p>Amends § 246B.10. Specifies that the county share for the cost of care for a civilly committed sex offender is 10 percent per day, for individuals admitted to the MSOP before August 1, 2011.</p> <p>Specifies that the county share for the cost of care is 25 percent per day for individuals admitted to the MSOP on or after August 1, 2011, for days at the facility or services received while the individual is on provisional discharge.</p> <p>Modifies conditions requiring the county to pay the state the remaining amount for the MSOP cost of care.</p> <p>Makes this section effective July 1, 2019.</p>
3	<p>Direction to commissioner; report required; discharge delay reduction.</p> <p>Requires the commissioner to submit a report to the legislature by January 1, 2023, providing an update on county and state efforts to reduce unnecessary days spent in state-operated direct care and treatment facilities; requires the report to include information on the fiscal impact of such stays.</p>

Section	Description – Article 3: Direct Care and Treatment
4	<p>Repealer.</p> <p>(a) Repeals section 246.18, subdivisions 8 and 9 (related to the state-operated services account).</p> <p>(b) Repeals Laws 2010, First Special Session chapter 1, article 25, section 3, subdivision 10 (state-operated services appropriations).</p>

Article 4: Continuing Care for Older Adults

This article contains provisions creating a new, voluntary nursing facility property reimbursement rate for facilities that complete a nursing facility moratorium exception project that is authorized after March 1, 2020; provides for \$1,250,000 in nursing facility moratorium exception funding in fiscal year 2020; provides for nursing facility rate adjustments for certain border city facilities; establishes a clean energy pilot project; and directs the commissioner of human services to develop incentive-based grants for certain elderly waiver customized living service providers.

Section	Description – Article 4: Continuing Care for Older Adults
1	<p>Definitions.</p> <p>Amends § 144A.071, subd. 1a. In a subdivision defining terms for the nursing home bed moratorium section, modifies the definitions of building, capital assets, and depreciation guidelines by adding cross-references to the definitions of those terms in section 256R.261 (definitions for nursing facility property rates). Also strikes definitions of project construction costs and technology. Provides a January 1, 2020, effective date.</p>
2	<p>Moratorium.</p> <p>Amends § 144A.071, subd. 2. Requires the commissioner of human services, in addition to the commissioner of health as in current law, to be provided with an itemized cost estimate for project construction costs before final plan approval of a construction project. Removes obsolete language.</p>
3	<p>Exceptions authorizing increase in beds; hardship areas.</p> <p>Amends § 144A.071, subd. 3. The amendments to paragraph (d) provide that if a nursing facility in a hardship area adds beds and after these beds are added 50 percent or more of the facility's beds are newly licensed, the facility's operating payment rate and external fixed payment rate shall be determined according to a new subdivision governing total payment rates for new facilities (sec. 256R.21, subd. 5), and the facility's property payment rate shall be determined under a new section governing property payment rates (sec. 256R.26). Provides a January 1, 2020, effective date.</p>

Section	Description – Article 4: Continuing Care for Older Adults
4	<p>Exceptions for replacement beds.</p> <p>Amends § 144A.071, subd. 4a. In paragraphs authorizing a nursing facility moratorium exception to replace facilities in Norman and Wilkin Counties damaged by floods, changes references governing the interim and settle-up payment provisions for those facilities from a rule being repealed in this bill to a new section in chapter 256R governing interim and settle-up payment rates (sec. 256R.27). Provides a January 1, 2020, effective date.</p>
5	<p>Exceptions for replacement beds after June 30, 2003.</p> <p>Amends § 144A.071, subd. 4c. In a paragraph authorizing a nursing facility moratorium exception to licensed beds transferred to a new facility on the grounds of the Ah-Gwah-Ching campus, changes a reference governing the interim and settle-up payment provisions for that facility from a rule being repealed in this bill to a new section in chapter 256R governing interim payment rates and settle-up (sec. 256R.27). Provides a January 1, 2020, effective date.</p>
6	<p>Consolidation of nursing facilities.</p> <p>Amends § 144A.071, subd. 4d. Adds paragraphs (g) and (h), which: (1) exempts moratorium exception projects approved on or after March 1, 2020, from certain requirements and specifies how the projected net cost savings must be treated; and (2) specifies the process to which consolidation projects are subject when an application is not approved by the commissioner prior to March 1, 2020. Provides a January 1, 2020, effective date.</p>
7	<p>Cost estimate of a moratorium exception project.</p> <p>Amends § 144A.071, subd. 5a. In a subdivision establishing requirements for cost estimates of nursing facility moratorium exception projects, requires the commissioner of human services to prepare an estimate of the property payment rate to be established when the project is complete, and specifies what governs the final property rate. Strikes paragraphs governing the interest rate used to estimate the cost of a proposal. Makes this section effective for projects approved by the commissioner of health on or after March 1, 2020.</p>
8	<p>Bed relocation threshold projects.</p> <p>Amends § 144A.073, subd. 3c. Allows the commissioner to accept relocation proposals at any time for existing licensed nursing facilities when costs are less than the maximum threshold limit (current law allows the commissioner to accept at any time relocation proposals that are cost-neutral with respect to state costs). Also strikes a paragraph describing how cost neutrality is measured. Requires bed relocation threshold projects that seek reimbursement for costs that exceed the moratorium limit or that result in a newly constructed or newly licensed building to apply to relocate beds as part of the competitive moratorium application and review process. Makes this section effective for project proposals received by the commissioner of health after January 1, 2020, and approved by the commissioner on or after March 1, 2020.</p>

Section	Description – Article 4: Continuing Care for Older Adults
9	<p>Moratorium exception funding.</p> <p>Amends § 144A.073, by adding subd. 16. In fiscal year 2020, allows the commissioner of human services to approve moratorium exception projects for which the full annualized share of MA costs does not exceed \$1,250,000 plus any carryover of previous appropriations for this purpose. Provides an immediate effective date.</p>
10	<p>Contractual agreements.</p> <p>Amends § 256B.434, subd. 1. Removes obsolete language and clarifies this applies to nursing facilities located in Minnesota that elect to enroll as a medical assistance provider. Provides an immediate effective date.</p>
11	<p>Duration and termination of contracts.</p> <p>Amends § 256B.434, subd. 3. Removes obsolete language and provides an immediate effective date.</p>
12	<p>Capital assets.</p> <p>Amends § 256R.02, subd. 8. Modifies the definition of “capital assets” under the nursing facility value-based reimbursement (VBR) system. Provides a January 1, 2020, effective date.</p>
13	<p>External fixed costs.</p> <p>Amends § 256R.02, subd. 19. Modifies the definition of “external fixed costs” under the nursing facility VBR. Provides a January 1, 2020, effective date.</p>
14	<p>Interim payment rates.</p> <p>Amends § 256R.02, by adding subd. 25a. Defines “interim payment rates” under the nursing facility VBR. Provides a January 1, 2020, effective date.</p>
15	<p>Nursing facility.</p> <p>Amends § 256R.02, subd. 33. Modifies the definition of “nursing facility” under the nursing facility VBR. Provides a January 1, 2020, effective date.</p>
16	<p>Settle up payment rates.</p> <p>Amends § 256R.02, by adding subd. 47a. Defines “settle up payment rates” under the nursing facility VBR. Provides a January 1, 2020, effective date.</p>
17	<p>Total payment rate for new facilities.</p> <p>Amends § 256R.21, by adding subd. 5. Specifies the determination of the total payment rate for a new nursing facility created under moratorium and hardship exceptions. Makes this section effective for projects approved by the commissioner of health on or after March 1, 2020.</p>

Section	Description – Article 4: Continuing Care for Older Adults
18	<p>External fixed costs payment rate.</p> <p>Amends § 256R.25. Makes technical changes and adds paragraph (o), which adds the portion related to rate adjustments for border city facilities. Provides a January 1, 2020, effective date, except paragraph (o) is effective for rate years beginning on or after January 1, 2021.</p>
19	<p>Property payment rate.</p> <p>Amends § 256R.26.</p> <p>Subd. 1. Determination of the limited undepreciated replacement cost (URC). Specifies the calculation of a nursing facility's URC.</p> <p>Subd. 2. Determination of limited URC ratio. Specifies the calculation for a nursing facility's limited URC ratio.</p> <p>Subd. 3. Determination of limited depreciated replacement cost (DRC). Specifies the calculation for a nursing facility's limited DRC.</p> <p>Subd. 4. Determination of land and land improvement value. Specifies the calculation for a nursing facility's land and land improvement value.</p> <p>Subd. 5. Determination of annual fair rental value. Specifies the calculation for a nursing facility's annual fair rental value.</p> <p>Subd. 6. Determination of fair rental value property rate. Specifies the calculation for a nursing facility's fair rental value property rate.</p> <p>Subd. 7. Determination of equipment allowance rate. Specifies the calculation for a nursing facility's equipment allowance rate.</p> <p>Subd. 8. Determination of total property payment rate. Specifies the calculation for a nursing facility's total property payment rate.</p> <p>Subd. 9. Transition period. Paragraph (a) specifies that a nursing facility's property payment rate is the property rate established for the facility under sections 256B.431 and 256B.434, until the facility's property rate is transitioned upon completion of certain moratorium exception projects to the fair rental value property rate calculated under this chapter.</p> <p>Paragraph (b) specifies commissioner's duties related to the transition to the new property payment rate, including scheduling an appraisal and applying the property payment rate retroactively to the first day of the month of the calendar quarter after the completion of the project.</p> <p>Paragraph (c) prohibits nursing facilities with property payment rates established under this section from being eligible for planned closure rate adjustments, consolidation rate adjustments, single-bed room incentives, and certain property rate inflation adjustments. Requires the commissioner to remove any of these</p>

Section	Description – Article 4: Continuing Care for Older Adults
	<p>incentives from the facility's existing rate upon the facility transitioning to the fair rental value property rates.</p> <p>Subd. 10. New nursing facilities. Specifies requirements a nursing facility new to the MA program must meet. Requires the commissioner to: (1) schedule an appraisal within 90 days of notification from the facility that the facility has become Medicaid-certified; and (2) apply the property payment rate determined after the initial appraisal retroactively to the Medicaid certification date.</p> <p>Makes this section effective for rate years beginning on or after January 1, 2020, for nursing facilities that completed projects authorized after March 1, 2020.</p>
20	<p>Property rate definitions.</p> <p>Creates § 256R.261.</p> <p>Subd. 1. Definitions. Specifies the following terms have the meanings given them for purposes of the nursing facility property payment rates under VBR.</p> <p>Subd. 2. Addition. Defines "addition."</p> <p>Subd. 3. Appraisal. Defines "appraisal."</p> <p>Subd. 4. Building. Defines "building."</p> <p>Subd. 5. Capacity days. Defines "capacity days."</p> <p>Subd. 6. Construction cost per square foot value. Defines "construction cost per square foot value."</p> <p>Subd. 7. Commercial valuation system. Defines "commercial valuation system."</p> <p>Subd. 8. Depreciable movable equipment. Defines "depreciable movable equipment."</p> <p>Subd. 9. Depreciated replacement cost or DRC. Defines "depreciated replacement cost" or "DRC."</p> <p>Subd. 10. Depreciation expense. Defines "depreciation expense."</p> <p>Subd. 11. Depreciation guidelines. Defines "depreciation guidelines."</p> <p>Subd. 12. Equipment allowance. Defines "equipment allowance."</p> <p>Subd. 13. Equipment allowance per bed value. Defines "equipment allowance per bed value."</p> <p>Subd. 14. Fair rental value system. Defines "fair rental value system."</p>

Section	Description – Article 4: Continuing Care for Older Adults
	<p>Subd. 15. Fixed equipment. Defines “fixed equipment.”</p> <p>Subd. 16. Land improvement. Defines “land improvement.”</p> <p>Subd. 17. Rental rate. Defines “rental rate.”</p> <p>Subd. 18. Shared area. Defines “shared area.”</p> <p>Subd. 19. Threshold project. Defines “threshold project.”</p> <p>Subd. 20. Undepreciated replacement cost or URC. Defines “undepreciated replacement cost” or “URC.”</p>
	Provides a January 1, 2020, effective date.
21	<p>Appraisals and determination of replacement costs.</p> <p>Creates § 256R.265.</p> <p>Subd. 1. Selection of valuation system and appraisal firms. Requires the commercial valuation system selected by the commissioner to be utilized in all appraisals. Prohibits adjustments or substitutions from being permitted for any alternative analysis of properties.</p> <p>Subd. 2. Appraised valuations generally. Requires the property appraisal firm selected by the commissioner to determine the appraised value of a building and fixed equipment. Excludes the valuation of depreciable movable equipment, land, land improvements, or the physical plant or central office operations in the appraisal of the nursing facility.</p> <p>Subd. 3. Appraisal reports. Requires the property appraisal firm selected by the commissioner to produce a report detailing both the depreciated replacement cost (DRC) and undepreciated replacement cost (URC) of the nursing facility.</p> <p>Subd. 4. Appraised valuations of shared space. Specifies the manner in which appraisal firms must treat shared space when conducting an appraisal.</p> <p>Subd. 5. Review and appeal of appraisal reports. Allows a nursing facility to appeal a finding of fact in the appraisal report to the appraiser within 20 calendar days after receipt of the appraisal report and request revision.</p> <p>Subd. 6. Update of replacement costs. When a facility’s most recent physical appraisal was completed more than 12 months before the start of the rate year, specifies the manner in which the commissioner shall update the DRC and URC to determine the total property payment rate. Specifies updated DRC and URC are not subject to revisions of any of the original valuations or appeal to the appraiser by the facility.</p>

Section	Description – Article 4: Continuing Care for Older Adults
---------	-----------------------------------------------------------

Subd. 7. Appraisal frequency. Requires the commissioner to ensure that a selected appraisal firm conducts a new physical appraisal of the facility at least once every three years using a commercial valuation system.

Subd. 8. Limitation on appraisal values. After the initial rate year, limits the increase in the URC for each subsequent appraisal to \$2,000 per bed per year since the most recent physical appraisal, plus any threshold project completed since the most recent appraisal. Requires any limitation to the URC to be applied in the same proportion to the DRC. Requires the commissioner to annually update the per-bed per-year limit on the increase in the URC by the annual percentage change in the construction cost per square foot value.

Provides a January 1, 2020, effective date.

Threshold project property payment rate interim adjustments.

Creates § 256R.267. Paragraph (a) allows a nursing facility reimbursed for property payment rates under this chapter to receive a property payment rate interim adjustment for certain threshold projects.

Paragraph (b) specifies the process for a facility to request a property payment rate interim adjustment.

Paragraph (c) specifies the manner in which the commissioner must calculate the adjusted property payment rate.

Paragraph (d) requires the commissioner to eliminate any interim adjustment to the DRC or URC in subsequent property payment rate calculations following completion of a physical appraisal.

Paragraph (e) allows the commissioner to adjust the appraisal schedule for a nursing facility that has completed a threshold project.

Paragraph (f) requires the commissioner to prorate the facility's threshold project cost limits if more or less than three years pass between a facility's physical appraisals.

Paragraph (g) allows project adjustments once annually based on the previous project completion date, after the initial rate year.

Paragraph (h) prohibits two threshold projects from being conducted at one time. Requires purchases for a second project to be made after the completion date of the first project.

Provides a January 1, 2020, effective date.

Paragraph (a) makes conforming changes by removing references to home care nursing.</p> <p>Paragraph (c) requires the MnCHOICES assessment process to be conversation-based.</p> <p>Paragraph (d) removes a requirement that a legal representative of a person receiving a MnCHOICES assessment be physically present during an assessor’s face-to-face assessment of the person seeking long-term care, and allows the legal representative to participate in the assessment remotely. Requires a provider to submit information to be considered at an assessment at least 60 days prior to an assessment.</p> <p>Paragraph (e) removes the existing requirement that a MnCHOICES assessor complete a community support plan within 40 calendar days of the assessment. Requires the commissioner to determine a new timeline for completing the community support plan, but the total time for the assessor to complete the community support plan and the case manager to complete the coordinated service and support plan must not exceed 60 days.</p> <p>Paragraph (j) requires a certified assessor to point out in the assessment documents the the person’s right to appeal the results of an assessment.</p> <p>Paragraph (k) allows (1) the results of a MnCHOICES assessment to establish service eligibility for developmental disability waiver services for up to 60 days from the time of the assessment; and (2) a service eligibility update for developmental disability waiver services to extend the validity of a MnCHOICES assessment for an additional 30 days.</p>

Section	Description – Article 5: Disability Services
45	<p>Long-term care reassessments and community support plan updates.</p> <p>Amends § 256B.0911, subd. 3f. Requires a certified assessor to review a person’s most recent assessment prior to a reassessment. Requires the certified assessor and the individual responsible for developing the coordinated service and support plan to ensure the continuity of care for the person receiving services. Specifies the timeline for completing the updated community support plan and the updated coordinated service and support plan. Requires the commissioner to develop mechanisms for providers and case managers to share information with the assessor to facilitate a reassessment and support planning process tailored to the person’s current needs and preferences.</p>
46	<p>Assessments for rule 185 case management.</p> <p>Amends § 256B.0911, by adding subd. 3g. Allows a person receiving only case management services for persons with developmental disabilities to decline annual MnCHOICES assessments.</p>
47	<p>Administrative activity.</p> <p>Amends § 256B.0911, subd. 5. Adds paragraph (c), which requires the commissioner to develop and collect data on a set of measureable benchmarks demonstrating increasing efficiency in the MnCHOICES assessment process, and to report an analysis of that data to lead agencies and to the Legislature.</p>
48	<p>Elderly waiver cost limits.</p> <p>Amends § 256B.0915, subd. 3a. Adds paragraph (f), which requires the commissioner to approve exceptions to the monthly case mix budget cap to pay for an enhanced rate for PCA services. Limits the amount of the exception and requires the exception to be reapproved on an annual basis at the time of a participant’s annual reassessment. Provides a July 1, 2019, effective date, or upon federal approval, whichever is later. Requires the commissioner of human services to notify the revisor when federal approval is obtained.</p>
49	<p>Implementation of coordinated service and support plan.</p> <p>Amends § 256B.0915, subd. 6. Removes the current ten-day timeline for case managers to complete coordinated service and support plans for people receiving elderly waiver services or alternative care. Requires the commissioner to determine a new timeline for completing coordinated service and support plans, but the total time for a MnCHOICES assessor to complete the community support plan and the case manager to complete the coordinated service and support plan must not exceed 60 days.</p>

Section	Description – Article 5: Disability Services
50	<p>Coordinated service and support plan.</p> <p>Amends § 256B.092, subd. 1b. Removes the current ten-day timeline for case managers to complete coordinated service and support plans for people receiving developmental disabilities waiver services. Requires the commissioner to determine a new timeline for completing coordinated service and support plans, but the total time for a MnCHOICES assessor to complete the community support plan and the case manager to complete the coordinated service and support plan must not exceed 60 days.</p>
51	<p>Home and community-based services innovation pool.</p> <p>Amends § 256B.0921. Modifies the name of the program.</p>
52	<p>Case management.</p> <p>Amends § 256B.49, subd. 13. Removes the current ten-day timeline for case managers to complete coordinated service and support plans for people receiving BI, CAC, and CADI waiver services. Requires the commissioner to determine a new timeline for completing coordinated service and support plans, but the total time for a MnCHOICES assessor to complete the community support plan and the case manager to complete the coordinated service and support plan must not exceed 60 days.</p>
53	<p>Assessment and reassessment.</p> <p>Amends § 256B.49, subd. 14. Requires a provider to submit a report with any recommendations regarding the recipient’s care needs at least 60 days before the end of the current service agreement. Requires the certified assessor to consider the content of the submitted report prior to finalizing the person’s assessment or reassessment.</p>
54	<p>Annual labor market reporting.</p> <p>Amends § 256B.4912, by adding subd. 1a. Paragraph (a) requires home and community-based waiver services providers to submit specified labor market data to the commissioner.</p> <p>Paragraph (b) allows the commissioner to adjust reporting requirements for self-employed direct-care staff.</p> <p>Paragraph (c) defines “direct-care staff.”</p> <p>Paragraph (d) applies this reporting requirement to other home and community-based services, including PCA services, CFSS, nursing services and home health services, home care nursing services, and certain DT&H services.</p> <p>Paragraph (e) applies this reporting requirement to financial management services providers for participants who directly employ direct care staff through certain programs.</p> <p>Paragraph (f) requires the commissioner to ensure that data submitted under this subdivision is not duplicative of other data submission requirements.</p>

Section	Description – Article 5: Disability Services
	<p>Paragraph (g) requires providers to submit the data annually on a date specified by the commissioner and requires the commissioner to give providers at least 30 calendar days to submit the data. Grants the commissioner the authority to delay MA reimbursements to a provider until the requested data is submitted.</p> <p>Paragraph (h) classifies individually identifiable data submitted to the commissioner in this section as private data on an individual.</p> <p>Paragraph (i) requires the commissioner to analyze data annually for workforce assessments and service access impact.</p> <p>Provides a January 1, 2020, effective date.</p>
55	<p>Rate stabilization adjustment.</p> <p>Amends § 256B.4913, subd. 4a. Removes obsolete language and the seventh year of banding, which was not approved by the federal Centers for Medicare and Medicaid Services (CMS). Makes this section effective the day following final enactment.</p>
56	<p>Definitions.</p> <p>Amends § 256B.4914, subd. 2. Defines “comparable occupations” and “direct care staff.” Modifies the definition of “unit of service.” These definitions apply to the section of statute governing the Disability Waiver Rate System (DWRS).</p>
57	<p>Applicable services.</p> <p>Amends § 256B.4914, subd. 3. Updates terminology, alphabetizes the list of services, and adds new services to which the DWRS applies. Provides an effective date of January 1, 2021, or upon federal approval, whichever is later. Requires the commissioner of human services to notify the revisor when federal approval is obtained.</p>
58	<p>Data collection for rate determination.</p> <p>Amends § 256B.4914, subd. 4. Removes obsolete language related to banding, which will end on December 31, 2019. Makes this section effective January 1, 2020.</p>
59	<p>Base wage index and standard component values.</p> <p>Amends § 256B.4914, subd. 5. Paragraph (a) adds base wage calculations for adult day services and individualized home support staff, removes base wage calculations for independent living skills specialist staff and supported employment staff, and updates terminology.</p> <p>Paragraphs (b) to (d) and (f) to (h) add a competitive workforce factor of 4.7 percent and update services to which the component values apply.</p> <p>Paragraph (e) adds component values for day services, including the 4.7 percent competitive workforce factor.</p>

Section	Description – Article 5: Disability Services
	<p>Paragraphs (i) and (k) remove obsolete language related to the 2017 automatic inflationary adjustment, change the frequency of future adjustments from once every five years to once every two years, and base the adjustments on 30 month old data.</p> <p>Paragraph (j) requires the commissioner to report to the Legislature with an analysis of the competitive workforce factor beginning February 1, 2021, and every two years thereafter. Lists the information that must be included in the report.</p> <p>Adds paragraph (l), which removes the 2014 and 2015 out-of-framework adjustments from rates calculated under DWRS. (On February 15, 2018, CMS notified DHS that these adjustments were duplicative of the inflationary adjustments built into DWRS and CMS would not allow the duplication; therefore, Minnesota was not eligible for federal matching funds for the duplicative adjustments. DHS paid both the state and federal share of the value of the out-of-framework adjustments for the remainder of fiscal year 2018, but removed these adjustments from the DWRS rates beginning on July 1, 2018.)</p> <p>Adds paragraph (m), which specifies that any rate adjustments made outside of the DWRS rate framework that apply to rates calculated under DWRS are removed from rate calculations upon implementation of automatic inflation adjustments under paragraphs (i) and (k).</p> <p>Makes this section effective January 1, 2021, or upon federal approval, except: (1) the competitive workforce factor is effective January 1, 2020, or upon federal approval, whichever is later; (2) paragraphs (i) and (k) are effective July 1, 2022, or upon federal approval, whichever is later; and (3) paragraph (l) is effective retroactively from July 1, 2018. Requires the commissioner of human services to notify the revisor of statutes when federal approval is obtained.</p>
60	<p>Payments for residential support services.</p> <p>Amends § 256B.4914, subd. 6. Makes conforming changes to the list of residential support services, modifies the rate calculation for residential support services to include the competitive workforce factor and new services, and removes obsolete language related to banding and the implementation period.</p> <p>Provides an effective date of January 1, 2020, or upon federal approval, whichever is later, except the rate calculations for the new services are effective January 1, 2021, or upon federal approval, whichever is later. Requires the commissioner of human services to notify the revisor when federal approval has been obtained.</p>
61	<p>Payments for day programs.</p> <p>Amends § 256B.4914, subd. 7. Modifies terminology and the rate calculation for day programs to include the competitive workforce factor.</p> <p>Makes this section effective January 1, 2020, or upon federal approval, whichever is later, except the service name changes are effective January 1, 2021, or upon federal approval, whichever is later. Requires the commissioner of human services to notify the revisor when federal approval has been obtained.</p>

Section	Description – Article 5: Disability Services
62	<p>Payments for unit-based services with programming.</p> <p>Amends § 256B.4914, subd. 8. Makes conforming changes to the list of unit-based services with programming and modifies the rate calculation for unit-based services with programming to include the competitive workforce factor.</p> <p>Makes this section effective January 1, 2020, or upon federal approval, whichever is later. Requires the commissioner of human services to notify the revisor when federal approval has been obtained.</p>
63	<p>Payments for unit-based services without programming.</p> <p>Amends § 256B.4914, subd. 9. Makes conforming changes to the list of unit-based services without programming and modifies the rate calculation for unit-based services without programming to include the competitive workforce factor.</p> <p>Makes this section effective January 1, 2020, or upon federal approval, whichever is later, except the service name change is effective January 1, 2021, or upon federal approval, whichever is later. Requires the commissioner of human services to notify the revisor when federal approval has been obtained.</p>
64	<p>Updating payment values and additional information.</p> <p>Amends § 256B.4914, subd. 10. Removes obsolete language related to outdated reporting and implementation requirements and banding. Adds direct care workforce labor market measures and the competitive workforce factor to the list of items DHS must review and evaluate under the DWRS. Modifies the frequency of adjustments to the regional variance factors. Requires the commissioner, in consultation with others, to study value-based models and outcome-based payment strategies for fee-for-service home and community-based services and report to the legislature by October 1, 2020, with recommended strategies to promote new models of care and reimbursement structures, assist clients in evaluating options, support person-centered planning, and create a broader range of client options. Makes this section effective the day following final enactment, except for paragraph (f), which is effective January 1, 2020.</p>
65	<p>Reporting and analysis of cost data.</p> <p>Amends § 256B.4914, subd. 10a. Paragraphs (a), (d), and (e), make technical and conforming changes.</p> <p>Adds paragraph (f), which requires providers paid with rates calculated under DWRS to prepare a written distribution plan for the competitive workforce factor revenue and make the distribution plan available and accessible to all direct care staff for a minimum of one calendar year. Requires providers to submit the distribution plan to the commissioner upon request.</p> <p>Adds paragraph (g), which requires providers with rates determined under DWRS to submit labor market data to the commissioner annually on or before November 1.</p> <p>Adds paragraph (h), which requires the commissioner to publish annual reports on provider and state-level labor market data.</p> <p>Adds paragraph (i), which requires the commissioner to: (1) temporarily suspend payments to a provider if data requested under paragraph (g) is not received 90 days</p>

Section	Description – Article 5: Disability Services
	<p>after the required submission date; and (2) make withheld payments once data is received by the commissioner.</p> <p>Adds paragraph (j), which exempts certain providers from the labor market data submission requirements.</p> <p>Makes this section effective the day following final enactment, except paragraph (g) is effective November 1, 2019, and paragraph (h) is effective February 1, 2020.</p>
66	<p>Exceptions.</p> <p>Amends § 256B.4914, subd. 14. Removes obsolete language related to commissioner’s reporting requirements and banding. Makes this section effective January 1, 2020.</p>
67	<p>County or tribal allocations.</p> <p>Amends § 256B.4914, subd. 15. Removes obsolete language.</p>
68	<p>Stakeholder consultation and county training.</p> <p>Amends § 256B.4914, by adding subd. 17. Moves this language from Minn. Stat. § 256B.4913, subd. 5 (which is being repealed), and makes technical changes.</p>
69	<p>Reporting requirements.</p> <p>Amends § 256B.5014. Requires intermediate care facilities to comply with labor market reporting requirements.</p>
70	<p>Eligibility.</p> <p>Amends § 256B.85, subd. 3. Specifies a pregnant woman eligible under MA is eligible for community first services and supports (CFSS) without federal financial participation if the woman meets certain criteria. Provides an immediate effective date.</p>
71	<p>Enhanced rate.</p> <p>Amends § 256B.85, by adding subd. 7a. Establishes a CFSS enhanced rate of 107.5 percent of the rate paid for CFSS. Specifies the enhanced rate includes any rate adjustment implemented by the commissioner on July 1, 2019, to comply with the terms of the direct support services providers collective bargaining agreement. Provides a July 1, 2019, effective date.</p>
72	<p>Agency-provider and FMS provider qualifications and duties.</p> <p>Amends § 256B.85, subd. 10. Requires CFSS agency-providers to comply with labor market reporting requirements and maintain documentation of training requirements needed to qualify for an enhanced rate. Provides a July 1, 2019, effective date.</p>
73	<p>Agency-provider model.</p> <p>Amends § 256B.85, subd. 11. Requires agency-providers to use all of the revenue generated by an MA rate increase due to a collective bargaining agreement for support worker wages and benefits.</p>

Section	Description – Article 5: Disability Services
74	<p>Requirements for enrollment of CFSS agency-providers.</p> <p>Amends § 256B.85, subd. 12. Requires agency-providers to document that 100 percent of the revenue generated by an MA rate increase due to a collective bargaining agreement is used for support worker wages and benefits.</p>
75	<p>Support workers requirements.</p> <p>Amends § 256B.85, subd. 16. Specifies CFSS support worker requirements to qualify for the enhanced rate. Provides a July 1, 2019, effective date.</p>
76	<p>Supplementary services.</p> <p>Amends § 256I.03, subd. 8. Modifies the definition of “supplementary services” in the chapter of statutes governing housing support services.</p>
77	<p>Housing support agreements.</p> <p>Amends § 256I.04, subd. 2b. Article 7: Health Care

This article contains provisions related to the medical assistance and MinnesotaCare programs. The article also directs the commissioners of health and human services to convene a commission to develop an action plan to transform the health and human services system to improve efficiency, produce savings, and promote better outcomes.

Section	Description – Article 7: Health Care
1	<p>Classifications.</p> <p>Amends § 13.69, subd. 1. Requires the Department of Public Safety to provide the last four digits of the Social Security number to the Department of Human Services for recovery of Minnesota health care program benefits paid. Provides a July 1, 2019, effective date.</p>
2	<p>Transfers.</p> <p>Amends § 16A.724, subd. 2. Makes a conforming change related to another section in the bill (adding § 256B.04, subd. 25) which codifies in modified form a rider allowing a transfer from the health care access fund to the general fund.</p>
3	<p>Definitions.</p> <p>Amends § 62Q.184, subd. 1.</p> <p>The amendment to paragraph (b) includes a preferred drug list developed by MA in the definition of “clinical practice guideline.”</p> <p>The amendment to paragraph (d) includes in the definition of health plan company managed care organizations, county-based purchasing plans, and integrated health partnerships participating in MA and Minnesota. These entities under current law are specifically excluded from the definition of health plan company (and therefore not required to comply with step therapy override requirements).</p>
4	<p>Step therapy override process; transparency.</p> <p>Amends § 62Q.184, subd. 3.</p> <p>The amendment to paragraph (a) adds a new clause (3) that specifies criteria for the commissioner of human services to follow when determining whether to grant an override of a step therapy protocol for MA prescription drug coverage when delivered under fee-for-service or through a managed care or county-based purchasing plan, or an integrated health partnership.</p> <p>The amendment to paragraph (c) allows enrollees or providers to appeal the denial of a step therapy override by a health plan company (including MA and MinnesotaCare) using the administrative review process established for human services programs.</p>
5	<p>Controlling individual.</p> <p>Amends § 245A.02, subd. 5a. Updates a cross-reference.</p>

Section	Description – Article 7: Health Care
6	<p>Program management and oversight.</p> <p>Amends § 245D.081, subd. 3. Updates a cross-reference and makes a technical edit.</p>
7	<p>Opiate epidemic response account. Amends § 256.043, as added by Laws 2019, chapter 63, article 1, section 8. Clarifies and corrects a provision that governs transfers and appropriations by the commissioner of human services from the opiate epidemic response account.</p>
8	<p>Incentive program.</p> <p>Amends § 256.962, subd. 5. Increases from \$25 to \$70 the application assistance bonus paid to navigators for enrolling individuals in MA. Provides a July 1, 2019, effective date.</p>
9	<p>Hospital payment rates.</p> <p>Amends § 256.969, subd. 2b. Gives the commissioner ongoing authority to make additional payment adjustments to rebased hospital payment rates (under current law, this authority applies through the next two rebasing periods).</p>
10	<p>Payments.</p> <p>Amends § 256.969, subd. 3a. Provides that payments for hospital discharges shall not exceed on a per claim, rather than aggregate as under current law, basis a hospital's charges.</p>
11	<p>Disproportionate numbers of low-income patients served.</p> <p>Amends § 256.969, subd. 9. The amendment to paragraph (d) modifies the DSH payment methodology as it applies to Hennepin County Medical Center. A new paragraph (f) requires the commissioner to establish an additional payment adjustment for hospitals that provide high levels of administering high-cost drugs to enrollees in fee-for-service MA. Requires the commissioner to consider fee-for-service MA utilization rates and payments for drugs purchased through the 340B program and administered to fee-for-service enrollees. If the adjustment exceeds a hospital's specific disproportionate share hospital limit, requires the commissioner to make a payment to the hospital that equals the nonfederal share of the excess amount. Limits the total nonfederal share of adjustments to \$1.5 million. States that the section is effective July 1, 2019, except paragraph (f) is effective for discharges on or after July 1, 2019.</p>
12	<p>Out-of-state hospitals in local trade areas.</p> <p>Amends § 256.969, subd. 17. Modifies the admission threshold that governs when an out-of-state hospital has rates established using the procedures and methods that apply to Minnesota hospitals.</p>

Section	Description – Article 7: Health Care
13	<p>Metabolic disorder testing of medical assistance recipients.</p> <p>Amends § 256.969, subd. 19. Provides that a payment increase related to the cost of metabolic disorder testing of newborns remains in effect until fully recognized in the base year cost.</p>
14	<p>Competitive bidding.</p> <p>Amends § 256B.04, subd. 14. Prohibits the commissioner from using volume purchase through competitive bidding and negotiation for incontinence products and related supplies. Provides an immediate effective date.</p>
15	<p>Provider enrollment.</p> <p>Amends § 256B.04, subd. 21. (a) Requires the commissioner to enroll providers and conduct screening activities as required by federal regulations and specifies related requirements.</p> <p>(b) Requires the commissioner to revalidate each provider at least once every five years, and personal care assistance agencies once every three years.</p> <p>(c) Specifies criteria for conducting revalidations.</p> <p>(d) Allows the commissioner to suspend a provider's ability to bill, if a provider fails to comply with any individual provider requirement or condition of participation. Provides that suspension is not subject to an administrative appeal.</p> <p>(e) Allows correspondence and notifications to be delivered electronically to a provider's MN-ITS mailbox. States that this does not apply to communications related to background studies.</p> <p>Provides a July 1, 2019, effective date.</p>
16	<p>Application fee.</p> <p>Amends § 256B.04, subd. 22. Strikes language that is incorporated in section 256B.04, subdivision 21. Provides a July 1, 2019, effective date.</p>
17	<p>MA and MinnesotaCare payment increase.</p> <p>Amends § 256B.04, by adding subd. 25. Moves into statute a modified version of a rider that increases MA and MinnesotaCare payments to reflect payment of the MinnesotaCare provider tax.</p>
18	<p>Subsidized foster children.</p> <p>Amends § 256B.055, subd. 2. Provides MA eligibility for children who are not eligible for Title IV-E assistance (federal payments for foster care) but are determined eligible for foster care or kinship assistance under chapter 256N. States that the section is effective January 1, 2020 or upon federal approval, whichever is later.</p>

Section	Description – Article 7: Health Care
19	<p>Residency.</p> <p>Amends § 256B.056, subd. 1. Requires the commissioner to identify MA enrollees who are absent from the state for more than 30 consecutive days, and provide covered services to these individuals through fee-for-service, and not through the managed care payment system.</p>
20	<p>Asset limitations for certain individuals.</p> <p>Amends § 256B.056, subd. 3. Provides that MA will disregard a designated employment incentives asset account when determining MA eligibility for a person who is age 65 or older. Allows such an account to be designated only by a person enrolled in MA as an employed person with a disability (MA-EPD) for a 24-consecutive month period. Strikes existing language which allows a higher asset disregard (\$20,000 for an individual after exclusions) for persons formerly eligible under MA-EPD who turn 65 and seek MA eligibility as a person who is elderly, blind, or has a disability (an asset limit of \$3,000 for a household of one/\$6,000 for a household of two normally applies to this group). Specifies criteria for a designated employment incentives asset account. Provides a July 1, 2019, effective date.</p>
21	<p>Excess income standard.</p> <p>Amends § 256B.056, subd. 5c. Increases the MA spenddown standard for persons who have disabilities, are blind, or are age 65 or older, from 81 percent of FPG to 100 percent of FPG, effective July 1, 2022.</p>
22	<p>Periodic renewal of eligibility.</p> <p>Amends § 256B.056, subd. 7a. Allows the local agency to close an enrollee's MA case file, if the enrollee has been terminated and has not submitted the required information within four months of termination.</p>
23	<p>Telemedicine services.</p> <p>Amends § 256B.0625, subd. 3b. The amendment to paragraph (e) allows community health workers meeting specified criteria to provide telemedicine services.</p> <p>A new paragraph (f) provides an exception from the limit on MA coverage of telemedicine (three services per enrollee per calendar week) if the:</p> <ol style="list-style-type: none"> 1) telemedicine services provided by the licensed health provider are for the treatment and control of tuberculosis; and 2) services are provided in a manner consistent with the recommendations and best practices specified by the Centers for Disease Control and Prevention and the Commissioner of Health.

Section	Description – Article 7: Health Care
24	<p>Drugs.</p> <p>Amends § 256B.0625, subd. 13. Strikes language relating to the quantity of over-the-counter medications that may be dispensed. States that the section is effective July 1, 2019, or upon federal approval, whichever is later.</p>
25	<p>Payment rates.</p> <p>Amends § 256B.0625, subd. 13e. Amends § 256B.0625, subd. 13e. Makes a variety of changes to MA payment methods for outpatient prescription drugs. The changes made in paragraph (a) include:</p> <ul style="list-style-type: none"> ▪ setting payment based on the ingredient cost of the drugs plus a professional dispensing fee ▪ defining usual and customary price ▪ setting the dispensing fee for drugs meeting the federal definition of “covered outpatient drugs” at \$10.48 and specifying dispensing fees for other types of drugs ▪ requiring dispensing fees to be pro-rated based upon the quantity of a drug dispensed ▪ setting the ingredient cost for providers participating in the federal 340B program at the 340B ceiling price or the National Average Drug Acquisition Cost (NADAC), whichever is lower ▪ requiring the maximum allowable cost of a multisource drug to be comparable to the actual acquisition cost and no higher than the NADAC of the generic product (current law sets the maximum amount as that paid by third party payors with maximum allowable cost programs) <p>The amendment to paragraph (c) eliminates add-ons to the dispensing fee for certain drugs dispensed to long-term care facility residents using a unit dose blister card system.</p> <p>The amendment to paragraph (d) sets the ingredient cost of a multisource drug at the NADAC of the generic product, or the maximum allowable cost established by the commissioner.</p> <p>The amendment to paragraph (e) increases, from 20 to 28.6 percent, the discount from the payment rate for drugs obtained through the 340B program.</p> <p>The amendment to paragraph (f) adds references to the maximum allowable cost and makes changes in terminology, in a provision of law dealing with specialty pharmacy products.</p> <p>A new paragraph (h) requires the commissioner to contract with a vendor to conduct cost of dispensing surveys for Minnesota pharmacies. Specifies criteria for the survey. Requires the initial survey to be completed by January 1, 2021, and repeated every three years.</p>

Section	Description – Article 7: Health Care
	<p>A new paragraph (i) requires the commissioner to increase the ingredient cost by 1.8 percent for prescription and nonprescription drugs subject to the MinnesotaCare wholesale drug distributor tax.</p> <p>States that the section is effective July 1, 2019, or upon federal approval, whichever is later. States that paragraph (i) expires if federal approval is denied.</p>
26	<p>Prior authorization.</p> <p>Amends § 256B.0625, subd. 13f. Eliminates the prohibition on use of prior authorization for certain antihemophilic factor drugs. Provides an immediate effective date.</p> <p>Paragraph (f) requires MA prior authorization procedures to comply with step therapy override requirements under section 62Q.184.</p> <p>Provides an immediate effective date, except that paragraph (f) is effective July 1, 2019.</p>
27	<p>Transportation costs.</p> <p>Amends § 256B.0625, subd. 17. Requires all nonemergency medical transportation drivers to be individually enrolled with the commissioner and reported on the claim as the individual providing the service. Removes language requiring consultation with the Minnesota Department of Transportation. Provides a July 1, 2021, effective date.</p>
28	<p>Transportation services oversight.</p> <p>Amends § 256B.0625, by adding subd. 17d. Requires the commissioner to contract with a vendor or dedicate staff to oversee providers of nonemergency medical transportation (NEMT) services. Provides a July 1, 2019, effective date.</p>
29	<p>Transportation provider termination.</p> <p>Amends § 256B.0625, by adding subd. 17e. Prohibits a terminated NEMT provider from enrolling as a NEMT provider for five years following termination. If the provider seeks reenrollment after the five-year period, requires the provider to be placed on a one-year probation, during which the commissioner shall complete unannounced site visits and request documentation to review compliance with program requirements. Provides an immediate effective date.</p>
30	<p>Other clinic services.</p> <p>Amends § 256B.0625, subd. 30.</p> <p>A new paragraph (g) provides that for services provided on or after January 1, 2021, claims for clinic services provided by federally qualified health centers (FQHCs) and rural health clinics shall be paid by the commissioner, according to an annual election by the center or clinic, under the current prospective payment system in paragraph (f) or the alternative payment methodology in paragraph (l).</p>

Section	Description – Article 7: Health Care
	<p>A new paragraph (l) establishes the alternative payment methodology. Provides that all claims for payment of clinic services provided by FQHCs and rural health clinics shall be paid according to specified requirements.</p> <p>This section also replaces references to federally qualified health centers with “FQHC” throughout.</p>
31	<p>Payment for Part B Medicare crossover claims.</p> <p>Amends § 256B.0625, subd. 57. Exempts Indian Health Services from a provision that limits MA payment of an enrollee’s Medicare Part B cost-sharing to the MA allowed amount, when the MA rate exceeds the amount paid by Medicare. Provides an immediate effective date.</p>
32	<p>Grounds for sanctions against vendors.</p> <p>Amends § 256B.064, subd. 1a. Allows the commissioner to impose sanctions against a pharmacy for failure to respond to a cost of dispensing survey. Provides an effective date of April 1, 2019.</p>
33	<p>Requirements for provider enrollment of personal care assistance provider agencies.</p> <p>Amends § 256B.0659, subd. 21. The amendment to paragraph (a) clarifies that personal care provider assistance agencies must provide to the commissioner at the time of enrollment, reenrollment, and revalidation, bond coverage and other information for each business location. Also makes related changes.</p> <p>The amendment to paragraph (c) requires personal care provider assistance agencies to require specified employees to complete required training, before submitting an application for agency enrollment.</p> <p>A new paragraph (d) requires all surety bonds, fidelity bonds, workers compensation insurance, and liability insurance to be maintained continuously, and specifies related requirements.</p> <p>Provides an immediate effective date.</p>
34	<p>Limitation of choice.</p> <p>Amends § 256B.69, subd. 4. Directs the commissioner to exempt from managed care enrollment persons who are absent from the state for more than 30 consecutive days but still deemed a resident of Minnesota, who are identified under section 19.</p>
35	<p>Trend limit; calculation.</p> <p>Amends § 256B.69, by adding subd. 31a. (a) Beginning January 1, 2020 and ending June 30, 2024, allows the commissioner, to the extent practicable, to limit the year over year increase in managed care and county-based purchasing plan payment rates by an amount equal to a 0.8 percent reduction in MA rates across all products. Requires managed care</p>

Section	Description – Article 7: Health Care
	<p>rates to meet federal actuarial soundness and rate development requirements. States that forecast expenditure growth assumption cannot be part of the rate-setting process.</p> <p>(b) Requires the commissioner of human services, in consultation with the commissioner of management and budget, to determine in the November 2019 forecast the extent to which the year over year change in managed care and county-based purchasing plan payment rates are forecasted to reduce MA expenditures in FYs 2020 through 2024, relative to projected expenditures from the end of the 2019 legislative session. If the reduction is less than \$145.150 million, requires the commissioner of management and budget to transfer the difference from the premium security account to the general fund.</p>
36	<p>Reimbursement for doula services.</p> <p>Adds § 256B.758. For services provided on or after July 1, 2019, sets MA payment rates for doula services provided by a certified doula at \$47 per prenatal or postpartum visit and \$488 for attending and providing doula services at birth.</p>
37	<p>Reimbursement for basic care services.</p> <p>Amends § 256B.766. Requires payment rates for durable medical equipment, prosthetics, orthotics, or supplies subject to the Medicare limit to be paid at the Medicare rate. States that the section is effective July 1, 2019, subject to federal approval.</p>
38	<p>Grant program established.</p> <p>Amends § 256B.79, subd. 2. Modifies the integrated care for high-risk pregnant women pilot program to be an ongoing grant program.</p>
39	<p>Grant awards.</p> <p>Amends § 256B.79, subd. 3. Removes an obsolete date. Specifies that priority in awarding grants must be given to qualified integrated perinatal care collaboratives that have received grants under the pilot program before January 2019.</p>
40	<p>Eligibility for grants.</p> <p>Amends § 256B.79, subd. 4. Updates language to reflect the change to an ongoing grant program.</p>
41	<p>Gaps in communication, support, and care.</p> <p>Amends § 256B.79, subd. 5. Updates language to reflect the change to an ongoing grant program.</p>
42	<p>Report.</p> <p>Amends § 256B.79, subd. 6. Requires the commissioner to report to the legislature by January 31, 2021, and every two years thereafter, about the outcomes of the grant program. Updates language to reflect the change to an ongoing grant program.</p>

Section	Description – Article 7: Health Care
43	<p>Payment of certain providers.</p> <p>Amends § 256L.11, subd. 2. Provides that alternative payment methodologies shall not apply to MinnesotaCare services provided by FQHCs, rural health clinics, Indian Health Service facilities, and certified behavioral health clinics.</p>
44	<p>Study of clinic costs.</p> <p>Requires the commissioner of human services to conduct a five-year comparative analysis of the actual change in FQHC and rural health clinic costs versus the CMS FQHC Market Basket inflator, and report findings to the legislature by July 1, 2025.</p>
45	<p>Corrective plan to eliminate duplicate personal identification numbers.</p> <p>(a) Requires the commissioner of human services to design and implement a corrective plan to address the issue of MA enrollees having more than one personal identification number. Requires any corrections or fixes to be completed by June 30, 2021.</p> <p>(b) Requires the commissioner to submit a progress report to the legislature by February 15, 2020, including an update on meeting the June 30, 2021 deadline. Specifies information that must be included in the report.</p>
46	<p>Blue ribbon commissioner on health and human services.</p> <p>Subd. 1. Establishment. Requires the commissioners of health and human services to convene a blue ribbon commission to advise and assist the legislature and the governor in transforming the health and human services system to build greater efficiency, savings, and better outcomes for Minnesotans.</p> <p>Subd. 2. Membership; appointment. (a) States that the commission consists of 17 members and specifies membership.</p> <p>(b) Exempts the governor from the open appointments process when appointing members.</p> <p>Subd. 3. Cochairs. Designates the commissioners of health and human services as cochairs, and directs the commissioner of human services to convene the first meeting.</p> <p>Subd. 4. Compensation; expenses; reimbursement. States that public members are compensated and reimbursed for expenses as provided under Minnesota Statutes, section 15.0575, subd. 3.</p> <p>Subd. 5. Administrative support. Requires the commissioners of health and human services to provide meeting space and administrative support to the commission.</p> <p>Subd. 6. Gifts. Allows the commission to accept gifts and grants and specifies related requirements.</p>

Section	Description – Article 7: Health Care
---------	--------------------------------------

Subd. 7. Public and stakeholder engagement. Requires the commissioners of health and human services to review research to determine Minnesotan's values, preferences, opinions, and perceptions on human services, health care benefits, and other issues, and to present findings to the commission.

Subd. 8. Duties. (a) By October 1, 2020, requires the commission to present to the legislature and governor an action plan to transform the health and human services system to improve program efficiencies, produce savings, and promote better outcomes. States that the plan must include, but it not limited to:

- 1) strategies to increase administrative efficiencies and improve program simplification within health and human services public programs;
- 2) approaches to reducing health and human services expenditures;
- 3) opportunities to reduce fraud and improve program integrity; and
- 4) statewide strategies to improve access to health and human services, and to address geographic, racial, and ethnic disparities.

(b) Allows the commission to contract with a private entity or consultant to complete its duties, and exempts the commission from state procurement requirements.

Subd. 9. Limitations. (a) Requires the commission, in developing the action plan, to consider the impact of its recommendations on the existing capacity of state agencies and the capacity of county and tribal partners.

(b) Prohibits the commission from including in the action plan recommendations that may result in loss of benefits for individuals or exacerbate health disparities and inequities in access.

Subd. 10. Expiration. Provides that the commission expires October 2, 2020, or the day after submitting the action plan, whichever is earlier.

47

Repealer.

(a) Repeals sections 256B.0625, subdivision 63 (payment to clinics for mental health or dental services provided on the same day; this concept is included in the alternative payment methodology described in section 256B.0625, subdivision 30, paragraph (I)); 256B.0659, subdivision 22 (annual review of PCA provisions); and 256L.11, subdivision 2a (provision allowing higher payment rates for FQHC services provided to MinnesotaCare families and children).

(b) Repeals sections 256B.0625, subdivision 31c (preferred incontinence product program) and 256B.79, subdivision 7 (specifies a June 30, 2019, expiration date for

	section 256B.79 – integrated care for high risk pregnant women pilot program), effective the day following final enactment.

Article 8: Health Coverage

This article includes provisions requiring coverage for certain services and treatments, regulating the use of HMO net earnings, modifying requirements for waivers of network adequacy requirements, requiring mental health parity, prohibiting the use of step therapy for metastatic cancer, extending the moratorium on nonprofit HMO and nonprofit service plan corporation conversion transactions, and extending the operation of the Minnesota premium security plan through the 2021 benefit year.

Section	Description – Article 8: Health Coverage
1	<p>Mammograms.</p> <p>Adds subd. 4 to § 62A.30. (a) Clarifies that coverage for an annual preventative mammogram screening includes digital breast tomosynthesis if the enrollee is at risk for breast cancer. This screening is at the option of the enrollee and at no cost to the enrollee.</p> <p>(b) Defines “digital breast tomosynthesis” and “at risk for breast cancer”.</p> <p>(c) States that this subdivision does not apply to public health care programs under chapter 256B (medical assistance) or 256L (MinnesotaCare).</p> <p>(d) Clarifies that nothing in this subdivision limits the coverage of digital breast tomosynthesis for health plans in effect prior to January 1, 2020.</p> <p>(e) Clarifies that nothing in this subdivision prohibits a health plan from providing coverage for digital breast tomosynthesis to enrollees who are not at risk for breast cancer.</p> <p>Effective date. This section is effective January 1, 2020, and applies to health plans on or after that date.</p>
2	<p>Pediatric autoimmune neuropsychiatric disorders associated with streptococcal infections (PANDAS) and pediatric acute-onset neuropsychiatric syndrome (PANS) treatment; coverage.</p> <p>Adds § 62A.3097.</p> <p>Subd. 1. Definitions. Provides definitions for PANDAS and PANS.</p> <p>Subd. 2. Scope of coverage. Applies this section to all health plans that provide coverage to Minnesota residents.</p>

Section	Description – Article 8: Health Coverage
---------	------------------------------------------

Subd. 3. Required coverage. Requires all health plans to provide coverage for PANDAS and PANS, including antibiotics, medication, behavioral therapies, plasma exchange, and immunoglobulin.

Subd. 4. Reimbursement. Provides that the commissioner of commerce shall reimburse health carriers for coverage for PANDAS and PANS under this section, and limits reimbursement to coverage that would not have otherwise been provided by the carrier without the requirements of this section. Each fiscal year, appropriates to the commissioner of commerce an amount necessary to defray the cost of providing coverage under this section. Requires health carriers to submit certain information to the commissioner, and requires the commissioner to evaluate submissions and make payments to health carriers according to federal rules.

Effective date. This section is effective January 1, 2020, and applies to health plans issued on or after that date.

3	Net earnings.
---	----------------------

Adds subd. 8a to § 62D.12. Requires a nonprofit health maintenance organization to use its net earnings to provide comprehensive health care. Prohibits an organization from paying net earnings as a dividend or rebate to a person for any reason other than providing comprehensive health care. An exception to this is that the organization can make certain payments to health care providers. Requires the commissioner of health to revoke an organization's certificate of authority if it violates this subdivision.

4	Waiver.
---	----------------

Amends § 62D.124, subd. 3. Allows an HMO to apply for a waiver of the network geographic accessibility requirements, by submitting to the commissioner an application and an application fee of \$500 per county per year. Specifies application and approval requirements. Allows the commissioner to approve a waiver if the HMO proposes to address network inadequacy through the use of telemedicine, when there are no providers of a specific type or specialty in the county. States that a waiver expires after three years. Specifies review requirements for new applications. Requires application fees to be deposited in the state government special revenue fund.

5	Provider network notifications.
---	----------------------------------------

Amends § 62D.124, by adding subd. 7. Requires an HMO to provide on the organization's website the provider network for each product, and to update the website at least once per month. Also requires the HMO to provide on the website a list of current waivers of the network geographic accessibility standard.

Section	Description – Article 8: Health Coverage
6	<p>Operation.</p> <p>Amends § 62E.23, subd. 3. Provides that the payment parameters for the Minnesota premium security plan (reinsurance) for benefit year 2020 are an attachment point of \$50,000, a coinsurance rate of 80 percent, and a reinsurance cap of \$250,000 (these are the payment parameters that also applied to benefit years 2018 and 2019).</p>
7	<p>Reports.</p> <p>Amends § 62E.24, subd. 2. Requires the board of the Minnesota Comprehensive Health Association (MCHA) to submit quarterly and annual reports on the operation of the Minnesota premium security plan to members of certain legislative committees and to the public. Lists information the reports must include.</p>
8	<p>Information disclosures.</p> <p>Amends § 62K.07. A new subd. 2 requires a health carrier offering a prescription drug benefit in its individual or small group health plans to include the following information about covered prescription drugs in the plan's annual rate filing with the commissioner of commerce: the 25 most frequently prescribed drugs, the 25 most costly prescription drugs as a portion of the plan's total annual expenditures, the 25 prescription drugs that have caused the greatest increase in total health plan spending in the previous plan year, the projected impact of prescription drug costs on premium rates, information related to cost-sharing that is higher than the amount the health plan would pay for the prescription drug, and whether the health carrier prohibits third-party payments that cover some or all of the enrollee's cost-sharing requirements. Requires the commissioner of commerce to release a summary of this information when the commissioner releases individual and small group rates for the next calendar year.</p>
9	<p>Provider network notifications.</p> <p>Amends § 62K.075. Requires health carriers to provide on the carrier's website the provider network for each product, and to update the website at least once a month. Also requires the carrier to provide on the website a list of current waivers of the network geographic accessibility standard.</p>
10	<p>Waiver.</p> <p>Amends § 62K.10, subd. 5. Requires health carriers applying for a waiver of the network geographic accessibility standard to submit an application fee of \$500 per county for which a waiver is sought, and provide specified information. Sets requirements for the commissioner related to reviewing and approving waiver applications. Allows the commissioner to approve a waiver if the HMO proposes to address network inadequacy through the use of telemedicine, when there are no providers of a specific type or specialty in the county. Makes a waiver expire after one year, and specifies requirements related to the submittal and review of new waiver applications. Requires application fees to be deposited in the state government special revenue fund.</p>

Section	Description – Article 8: Health Coverage
11	<p>Network adequacy complaints.</p> <p>Adds § 62K.105. Requires the commissioner of health to establish a process for accepting complaints from enrollees regarding health carrier and preferred provider organization network adequacy. Requires the commissioner of health to investigate all complaints.</p>
12	<p>Nonquantitative treatment limitations or NQTLs.</p> <p>Adds subd. 6b to § 62Q.01. Defines “nonquantitative treatment limitations” or “NQTLs” as processes, strategies, or evidentially standards that limit the scope or duration of benefits for treatment. NQTLs may include medical management standards, formulary design, network tiers, requirements for providers, manner of determining charges, step therapy protocols, exclusions, restrictions, reimbursement rates, and other health plan design features.</p>
13	<p>Prohibition on use of step therapy for metastatic cancer.</p> <p>Adds § 62Q.1841.</p> <p>Subd. 1. Definitions. Defines the following terms: health plan, stage four advanced metastatic cancer, and step therapy protocol.</p> <p>Subd. 2. Prohibition on use of step therapy protocols. Prohibits a health plan that provides coverage for the treatment of stage four advanced metastatic cancer or associated conditions from limiting or excluding coverage for a drug approved by the Food and Drug Administration (FDA) that is on the plan’s formulary, by mandating that the enrollees follow a step therapy protocol, if the use of the approved drug is consistent with: (1) a FDA-approved indication; and (2) a clinical practice guideline published by the National Comprehensive Care Network.</p> <p>States that the section is effective January 1, 2020, and applies to health plans offered, issued, or renewed on or after that date.</p>
14	<p>Alcoholism, mental health, and chemical dependency services.</p> <p>Amends § 62Q.47. (d) Prohibits a health plan from imposing NQTLs for mental health and substance use disorders that are not-comparable or more stringent than those applied to medical and surgical benefits in the same classification.</p> <p>(f) Requires health plan companies to provide certain information to the commissioner of commerce to confirm that the mental health parity required by this section is being implemented by health plan companies.</p> <p>(g) Provides that mental health therapy visits and medication maintenance visits are primary care for purposes of applying patient cost-sharing requirements under a health plan. Requires the commissioner of commerce in consultation with the commissioner of health to issue a report to the legislature every year including detailed information about the commissioner’s compliance procedures, enforcement actions, corrective actions, and public information initiatives regarding mental health parity.</p>

Section	Description – Article 8: Health Coverage
15	<p>Cost-sharing in prescription insulin drugs.</p> <p>Adds § 62Q.48. Defines the following terms for this section: cost-sharing, legend drug, prescription insulin drug, and net price; and provides that this section applies to health plans issued or renewed to a Minnesota resident. Requires a health plan that applies cost-sharing on coverage of a prescription insulin drug to limit the total cost-sharing paid at the point of sale to the net price of the prescription insulin drug. Makes this section effective for health plans issued or renewed on or after January 1, 2020.</p>
16	<p>Encounter data.</p> <p>Amends § 62U.04, subd. 4. Modifies the requirements for encounter data submitted by health plan companies and third-party administrators to the all-payer claims database, to require submission of data for each encounter that would allow identification of claims in the individual health insurance market.</p>
17	<p>Prior authorization.</p> <p>Amends § 256B.0625, subd. 13f. Requires any step therapy protocol requirements established by the commissioner of human services to comply with section 62Q.1841 (prohibiting the use of step therapy protocols in certain cases for patients with stage four advanced metastatic cancer). Provides a January 1, 2020, effective date.</p>
18	<p>Coverage for treatment of pediatric autoimmune neuropsychiatric disorders associated with streptococcal infections (PANDAS) and pediatric acute-onset neuropsychiatric syndrome (PANS).</p> <p>Adds subd. 66 to § 256B.0625. Requires MA to cover treatments for PANDAS or PANS according to protocols developed by the Health Services Policy Committee.</p>
19	<p>Minnesota premium security plan funding.</p> <p>Amends Laws 2017, chapter 13, article 1, section 15, as further amended. Changes the date by which the Minnesota Comprehensive Health Association must transfer all unspent funds for the Minnesota premium security plan to the health care access fund, from June 30, 2021, to June 30, 2023.</p>
20	<p>Moratorium on conversion transactions.</p> <p>Amends Laws 2017 first special session chapter 6, article 5, section 11. Extends the existing moratorium on conversion transactions for nonprofit service plan corporations and nonprofit health maintenance organizations from nonprofit to for-profit status, from June 30, 2019, to June 30, 2023. Provides that the transactions governed by this section include a transfer of a material amount of the entity's assets as part of a single transaction or a series of transactions within the past 24 months, and defines material amount as the lesser of 10 percent of the entity's total admitted net assets as of the previous December 31, or \$50,000,000. Makes this section effective the day following final enactment.</p>

Section	Description – Article 8: Health Coverage
21	<p>Coverage for PANDAS or PANS.</p> <p>Requires a health carrier to use a health plan’s coverage as of January 1, 2019, to determine whether the health carrier would not have provided coverage for PANDAS or PANS, and states that treatments and services covered by a health plan as of January 1, 2019, are not eligible for reimbursement by the commissioner of commerce under section 62A.3097.</p>
22	<p>Minnesota premium security plan administered through the 2021 benefit year.</p> <p>Directs the Minnesota Comprehensive Health Association to administer the Minnesota premium security plan through the 2021 benefit year.</p>

Article 9: Prescription Drugs

This article contains provisions related to prescription drugs. The article provides an exemption from the state application of the Medicare antikickback law, provides for emergency refills, requires the Board of Pharmacy and specified health licensing boards to provide information on sources of cheaper prescription drugs, and establishes a prescription drug repository program.

Section	Description – Article 9: Prescription Drugs
1	<p>Restrictions.</p> <p>Amends § 62J.23, subd. 2. Includes prescription drugs administered through infusion and related services and supplies in the definition of “prescription drug,” for purposes of the exemption of prescription drug discounts, price reductions, a limited-time free supply, or samples, from the state application of the Medicare antikickback law.</p>
2	<p>Drug coverage in emergency situations.</p> <p>Adds § 62Q.528. Requires a health plan that provides drug coverage to cover drugs under section 151.211, subdivision 3 (emergency prescription refills) under the terms that would apply had the drug been dispensed according to a prescription.</p>
3	<p>Practitioner.</p> <p>Amends § 151.01, subd. 23. Includes in the definition of practitioner, for purposes of emergency prescription refills, physician assistants, and dental therapists.</p>
4	<p>Information provision; sources of lower cost prescription drugs.</p> <p>Amends § 151.06, by adding subd. 6. (a) Requires the Board of Pharmacy to publish a page on its website that provide regularly updated information on:</p> <p>(1) drug manufacturer patient assistance programs;</p>

Section	Description – Article 9: Prescription Drugs
	<p>(2) the prescription drug assistance program established by the Board on Aging;</p> <p>(3) websites on eligibility and enrollment in government-funded programs that help pay for health care costs;</p> <p>(4) the availability of 340B drug program providers;</p> <p>(5) having a discussion about alternatives to a prescribed drug with a pharmacist or health care provider; and</p> <p>(6) any other resources the board deems is useful for individuals attempting to purchase drugs at lower costs.</p> <p>(b) Requires the board to prepare educational documents based on the information provided under paragraph (a). Specifies related requirements.</p> <p>(c) Directs the board to require pharmacists and pharmacies to make available to patients information on sources of lower cost prescription drugs, including information on the website established under paragraph (a).</p>
5	<p>Refill requirements.</p> <p>Amends § 151.211, subd. 2. Makes a conforming change to section 152.211, subdivision 3 (emergency prescription refills).</p>
6	<p>Emergency prescription refills.</p> <p>Amends § 151.211, by adding subd. 3.</p> <p>(a) Provides that a pharmacist, using sound professional judgment and in accordance with accepted standards of practice, may dispense a legend drug without a current prescription, if all of the following conditions are met:</p> <p>(1) the patient has been compliant with taking the medication and has consistently had the drug filled or refilled as demonstrated by pharmacy records;</p> <p>(2) the pharmacy has a record of the prescription drug order for the patient, but the prescription does not provide for a refill or the time for providing refills has elapsed;</p> <p>(3) the pharmacist is unable to contact the practitioner who issued the prescription, or another practitioner responsible for the patient's care, to obtain refill authorization;</p> <p>(4) the drug is essential to sustain the life of the patient or to continue therapy for a chronic condition;</p> <p>(6) failure to dispense the drug would harm patient health; and</p> <p>(6) the drug is not a controlled substance, except for a controlled substance prescribed to treat a seizure disorder, for which a 72-hour supply may be dispensed.</p>

Section	Description – Article 9: Prescription Drugs
	<p>(b) Limits the amount dispensed to a 30-day supply, or the quantity originally prescribed, whichever is less, except for seizure medications. If the standard unit of dispensing exceeds a 30-day supply, the amount of drug dispensed or sold must not exceed the standard unit of dispensing.</p> <p>(c) Prohibits a pharmacist from dispensing or selling the same drug to the same patient more than once in a 12-month period.</p> <p>(d) Requires a pharmacist to notify the practitioner who issued the prescription within 72 hours of the drug being sold or dispensed. Requires authorization before any additional refills may be dispensed.</p> <p>(e) Requires the record of the drug sold or dispensed under this section to be maintained in the same manner as other prescriptions.</p>
7	<p>Prescription drug repository program.</p> <p>Adds § 151.555.</p> <p>Subd. 1. Definitions. Defines the following terms: central repository; distribute; donor; drug; health care facility; local repository; medical supplies; original, sealed, unopened, tamper-evident packaging; and practitioner.</p> <p>“Central repository” means a wholesale distributor that meets certain requirements and enters into a contract with the Board of Pharmacy.</p> <p>“Donor” means a health care facility, skilled nursing facility, assisted living facility meeting certain requirements, pharmacy, drug wholesaler, drug manufacturer, or an individual at least 18 years of age.</p> <p>“Health care facility” means a physician’s office or health care clinic, hospital, pharmacy, or nonprofit community clinic.</p> <p>“Local repository” means a health care facility that elects to accept donated drugs and meets certain requirements.</p> <p>Subd. 2. Establishment. Requires the Board of Pharmacy to establish, by January 1, 2020, a drug repository program through which donors may donate a drug or medical supply, to be used by eligible individuals. Requires the board to contract with a central repository to implement and administer the program.</p> <p>Subd. 3. Central repository requirements. Requires the board to select a wholesale drug distributor to act as central repository using a request for proposal process. Specifies related requirements.</p> <p>Subd. 4. Local repository requirements. In order to serve as a local repository, requires a health care facility to agree to comply with all federal and state requirements related to the drug repository program, drug storage, and dispensing, and maintain any required state license or registration. Specifies</p>

application requirements. Provides that participation as a drug repository is voluntary and specifies the process to be used to withdraw from participation.

Subd. 5. Individual eligibility and application requirements. (a) In order to participate in the program, requires an individual to submit an application form to the local repository that attests that the individual: (1) is a state resident; (2) is uninsured and not enrolled in MA or MinnesotaCare, has no prescription drug coverage, or is underinsured; (3) acknowledges that the drugs or medical supplies received may have been donated; and (4) consents to a waiver of child resistant packaging requirements. Requires the local repository to issue eligible individuals with an identification card that is valid for one year, can be used at any local repository, and may be reissued upon expiration. Requires the local repository to send a copy of the application form to the central repository. Requires the board to make available on its website an application form and the format for the identification card.

Subd. 6. Standards and procedure. (a) Allows a donor to donate to the central repository or a local repository prescription drugs and medical supplies that meet specified requirements.

(b) Specifies requirements for prescriptions drugs to be eligible for donation.

(c) Specifies requirements for medical supplies to be eligible for donation.

(d) Requires the board to develop a drug repository donor form, which must accompany each donation. Specifies requirements for the form and requires the form to be available on the board's website.

(e) Allows donated drugs and supplies to be shipped or delivered to the central repository or a local repository. Requires the drugs and supplies to be inspected by the pharmacist or other practitioner designated by the repository to accept donations. Prohibits the use of a drop box to deliver or accept donations.

(f) Requires the central repository and local repository to inventory all drugs and supplies that are donated, and specifies related requirements.

Subd. 7. Standards and procedures for inspecting and storing donated prescription drugs and supplies. (a) Specifies requirements for the pharmacist or authorized practitioner to follow when inspecting all donated drugs and supplies.

(b) Specifies storage requirements for donated drugs and supplies.

(c) Requires the central repository and local repositories to dispose of all drugs and supplies not suitable for donation in compliance with applicable federal and state requirements related to hazardous waste.

(d) Requires shipments or deliveries of controlled substances or drugs that can only be dispensed to a patient registered with the drug's manufacturer to be

Article 11: Health Department

This article modifies Health Department programs and activities. Sections in this article make changes related to wells and borings, modify requirements for medical cannabis, authorize regulation of security screening systems, increase the annual service connection fee for public water supplies, direct the commissioner of health to administer statewide tobacco cessation services, modify the statewide health improvement program, establish requirements for the sale of certain cannabinoid products, make changes to home care provider laws, and establish community solutions for healthy child development and domestic violence and sexual assault prevention grant programs.

Section	Description – Article 11: Health Department
1	<p>Agricultural crop; possession authorized.</p> <p>Amends § 18K.03. Allows a hemp grower licensed by the commissioner of agriculture to sell hemp to medical cannabis manufacturers.</p>
2	<p>Implementation.</p> <p>Amends § 62J.495, subd. 3. Eliminates the requirement that all hospitals and health care providers have in place an electronic health records system within the hospital or clinical practice setting. Maintains the duty of the commissioner of health to develop uniform standards for electronic health records systems.</p>
3	<p>Interoperable electronic health record requirements.</p> <p>Amends § 62J.495, subd. 3. Makes a change to conform with the elimination of the requirement that all hospitals and health care providers have in place an electronic health records system.</p>
4	<p>Boring.</p> <p>Amends § 103I.005, subd. 2. Amends the definition of “boring” in chapter 103I (which covers wells, borings, and underground uses) to specify that it includes temporary borings.</p>

Section	Description – Article 11: Health Department
5	<p>Environmental well.</p> <p>Amends § 103I.005, subd. 8a. Amends the definition of “environmental well,” by clarifying that it does not include an exploratory boring.</p>
6	<p>Temporary boring.</p> <p>Amends § 103I.005, subd. 17a. Defines “temporary boring” for chapter 103I. This term replaces the term “temporary environmental well” in this chapter.</p>
7	<p>Notification required.</p> <p>Amends § 103I.205, subd. 1. Provides that a person is not required to notify the commissioner before constructing a temporary boring (instead of temporary environmental well as in current law).</p>
8	<p>License required.</p> <p>Amends § 103I.205, subd. 4. Allows a person who is a professional engineer, hydrologist or hydrogeologist, professional geoscientist, or geologist, or who meets qualifications in rule, to construct, repair, and seal a temporary boring (in addition to an environmental well as in current law). Removes language authorizing a licensed plumber who does not have a well or boring contractor’s license under chapter 103I to repair submersible pumps or water pipes connected to water well water systems if the repair location is in an area with no licensed well contractors within 50 miles.</p>
9	<p>Report of work.</p> <p>Amends § 103I.205, subd. 9. Modifies the deadline for submitting a report to the commissioner of health related to well or boring construction or sealing to within 60 days, rather than 30 days, of completing the work.</p>
10	<p>Well notification fee.</p> <p>Amends § 103I.208, subd. 1. Makes an existing \$75 fee apply to the sealing of temporary borings, and provides that a single notification and \$75 fee is required for all borings on a single property. Exempts temporary borings less than 25 feet in depth from the notification and fee requirements in chapter 103I. Changes a term used, from “temporary environmental well” to “temporary boring.”</p>
11	<p>Temporary boring and unsuccessful well exemption.</p> <p>Amends § 103I.235, subd. 3. Exempts temporary borings that were sealed by a licensed contractor (rather than temporary environmental wells as in current law) from requirements to disclose to a buyer the location of wells on the property.</p>

Section	Description – Article 11: Health Department
12	<p>Temporary boring.</p> <p>Adds subd. 3a to § 103I.301. Requires the owner of a property with a temporary boring to have the temporary boring sealed within 72 hours after the start of construction of the temporary boring, and specifies who is authorized to seal the temporary boring.</p>
13	<p>Notification required.</p> <p>Amends § 103I.301, subd. 6. Prohibits a person from sealing a temporary boring until a notification is filed with the commissioner, except that temporary borings less than 25 feet in depth are exempt from this notification requirement. Provides that a single notification is required for all temporary borings sealed on a single property.</p>
14	<p>Notification and map of borings.</p> <p>Amends § 103I.601, subd. 4. Provides that one site fee of \$275 must be submitted for all exploratory borings marked on the proposed boring map submitted to the commissioner of health, not \$275 per exploratory boring. Also specifies the paper size for the map of proposed borings to be submitted to the commissioner.</p>
15	<p>Fees for ionizing radiation-producing equipment.</p> <p>Amends § 144.121, subd. 1a. Requires facilities that use radiation-producing security screening systems to pay the commissioner of health a base registration fee of \$100 plus \$100 for each system in use. Defines security screening system for purposes on this section as radiation-producing equipment designed and used for security screening of humans who are in the custody of a correctional or detention facility, and used by the facility to image and identify contraband items concealed within or on all sides of a human body. Also defines correctional or detention facility.</p>
16	<p>Exemption from examination requirements; operators of security screening systems.</p> <p>Adds subd. 9 to § 144.121. Exempts employees of correctional or detention facilities who operate security screening systems and the facilities in which these systems are operated from certain statutory and regulatory requirements (e.g., operator need not have passed a national exam for limited x-ray machine operation) enforced by the Department of Health.</p>
17	<p>Expansion grant program.</p> <p>Amends § 144.1506, subd. 2. Modifies requirements for primary care residency expansion grants, to provide that if an eligible residency program lasts longer than three years, training grants may be awarded for the duration of the residency as long as the grant does not exceed an average of \$100,000 per residency slot per year. (Under current law training grants are limited to three years.)</p>

Section	Description – Article 11: Health Department
18	<p>Data about births.</p> <p>Amends § 144.225, subd. 2. Amends a subdivision governing access to birth data, to allow:</p> <ul style="list-style-type: none"> ▪ a tribal health department to obtain (1) contact information for a mother who was not married to a child’s father when the child was conceived and born and (2) the child’s date of birth (current law allows this information to be disclosed to a county social services department or a public health member of a family services collaborative); and ▪ a tribal child support program to access birth records for child support enforcement purposes.
19	<p>Health data associated with birth registration.</p> <p>Amends § 144.225, subd. 2a. Allows the commissioner of health to disclose to a tribal health department, health data associated with a birth registration that identifies a mother or child at high risk for serious disease, disability, or delay (current law allows the commissioner to disclose this information to a community health board).</p>
20	<p>Certified birth or death record.</p> <p>Amends § 144.225, subd. 7. Directs the state or local office of vital records to issue a certified birth or death record or statement of no vital record found to any tribal governmental agency upon request, if the certified vital record is needed for the governmental agency to perform its duties (current law allows local, state, and federal governmental agencies to obtain certified vital records needed to perform their duties).</p>
21	<p>Fee setting.</p> <p>Amends § 144.3831, subd. 1. Increases the annual service connection fee assessed by the commissioner of health for every service connection to a public water supply owned or operated by a city or town, from \$6.36 to \$9.72.</p>
22	<p>Statewide tobacco cessation services.</p> <p>Adds § 144.397. Directs the commissioner of health to administer or contract for the administration of statewide tobacco cessation services to help Minnesotans quit using tobacco products. Lists tobacco cessation services that may be provided, and requires services to be consistent with evidence-based best practices and coordinated with tobacco prevention and cessation services offered to individuals through their health insurance.</p>
23	<p>Public policy.</p> <p>Amends § 144.412. Expands the public purposes of the Clean Indoor Air Act to include protecting employees and the public from involuntary exposure to aerosol or vapor from electronic delivery devices.</p>

Section	Description – Article 11: Health Department
24	<p>Scope.</p> <p>Amends § 144.413, subd. 1. Corrects a statutory citation listing statutes to which the definitions in this section apply, to make these definitions apply to the entire Clean Indoor Air Act.</p>
25	<p>Smoking.</p> <p>Amends § 144.413, subd. 4. The Clean Indoor Air Act prohibits smoking in certain locations. This subdivision amends the definition of smoking for the act, by:</p> <ul style="list-style-type: none"> ▪ specifying that smoking includes burning or carrying a lighted or heated cigar, cigarette, pipe, or other product; ▪ specifying that a lighted or heated product may contain, be made from, or be derived from nicotine, tobacco, marijuana, or another plant; and ▪ specifying that smoking includes carrying or using an activated electronic delivery device.
26	<p>Day care premises.</p> <p>Amends § 144.414, subd. 2. Strikes language that includes the use of electronic delivery devices in the definition of smoking for purposes of prohibiting smoking in day care premises. (This language is no longer needed since another section adds the use of electronic delivery devices to the definition of smoking for the entire act.)</p>
27	<p>Health care facilities and clinics.</p> <p>Amends § 144.414, subd. 3. Strikes language that includes the use of electronic delivery devices in the definition of smoking for purposes of prohibiting smoking in health care facilities and clinics. (This language is no longer needed since another section adds the use of electronic delivery devices to the definition of smoking for the entire act.)</p>
28	<p>Responsibilities of proprietors.</p> <p>Amends § 144.416. In a section establishing responsibilities under the Clean Indoor Air Act for proprietors of public places, public transportation, places of employment, and public meetings, provides that the act does not prohibit a proprietor or other person or entity in charge from taking more stringent measures to protect individuals from involuntary exposure to aerosol or vapor from electronic delivery devices.</p>
29	<p>Tobacco products prohibited in public schools.</p> <p>Amends § 144.4165. Makes the following changes to a section prohibiting the use or ingestion of tobacco, tobacco products, and electronic delivery devices at public schools:</p> <ul style="list-style-type: none"> ▪ clarifies that a person cannot carry or use an activated electronic delivery device; and ▪ prohibits the use of tobacco or electronic delivery devices at charter schools.

Section	Description – Article 11: Health Department
30	<p>Tobacco products shop.</p> <p>Amends § 144.4167, subd. 4. In a subdivision in the Clean Indoor Air Act that allows sampling of tobacco products in a tobacco products shop, modifies the description of products sold in a tobacco products shop. Also adds electronic delivery devices to the list of products from which a tobacco products shop derives more than 90 percent of its revenue.</p>
31	<p>Local government ordinances.</p> <p>Amends § 144.417, subd. 4. In a subdivision governing authority of local governments under the Clean Indoor Air Act, provides that the act does not prohibit a local government from enacting more stringent measures to protect individuals from involuntary exposure to aerosol or vapor from electronic delivery devices.</p>
32	<p>Public interest review.</p> <p>Amends § 144.552. Modifies requirements for the public interest review conducted by the commissioner of health when a hospital seeks to increase its number of licensed beds or an organization seeks a hospital license. Changes are:</p> <ul style="list-style-type: none"> ▪ requiring the commissioner to return an applicant’s application fee, if the commissioner does not issue a finding on the application within 150 days of the date the commissioner sends the applicant a notice of completed application; ▪ requiring a hospital to submit any additional information requested by the commissioner, to the commissioner within 14 calendar days of the commissioner’s request; ▪ requiring the commissioner to issue a finding on the application within 150 days of the date on which the commissioner sends the applicant a notice of completed application (current law requires the commissioner to issue a finding between 90 days and six months); ▪ requiring the commissioner to consider whether additional beds are needed given the number of available beds; and ▪ if the commissioner receives multiple plan submissions within the same review period, directing the commissioner to review the plans in the order they were received.
33	<p>Eligibility for license condition.</p> <p>Amends § 144.562, subd. 2. Increases the total number of swing bed days critical access hospitals are allowed per year, from 2,000 days per hospital per year to 3,000 days per hospital per year in 2020 and increasing by 200 days per year through 2027. Beginning in 2028, a hospital is allowed 4,500 days per year. Also provides that, effective immediately, the following are not counted toward a hospital’s applicable limit of swing bed days:</p> <ul style="list-style-type: none"> ▪ days of swing bed use for medical care that are charity care; and

34	<p>Care coordination implementation.</p> <p>Amends § 144.586. Requires a hospital discharging a child with a high-cost medical or chronic condition who needs post-hospital aftercare, to notify the patient’s primary care provider and health carrier of the patient’s anticipated date of discharge and the patient’s aftercare needs; make arrangement for home health care or post-hospital extended care; and contact a care coordinator if the patient is eligible for care coordination services.</p>
35	<p>Disclosure of hospital charges.</p> <p>Amends § 144.591. Requires a hospital to provide to each discharged patient with an itemized description of billed charges for medical services and goods the patient received during the hospital stay. Lists what this description may include, and requires the description to be provided within 30 days after discharge.</p>
36	<p>Newborn hearing screening advisory committee.</p> <p>Amends § 144.966, subd. 2. Under current law the newborn hearing screening advisory committee expires June 30, 2019. This section extends the advisory committee to June 30, 2025, and adds the following two members to this committee: a representative from the Deaf Mentor Program, and a representative of the State Academy for the Deaf from the Minnesota State Academies staff, who must be appointed by September 1, 2019.</p>
37	<p>Remedies available.</p> <p>Amends § 144.99. Allows the commissioner of health to enforce the medical cannabis sections (sections 152.22 to 152.37) using the tools and authority in the Health Enforcement Consolidation Act. (These provisions allow the commissioner to access information and property, list enforcement actions the commissioner may take, provide for contested case hearings, provide that a violation of a statute subject to enforcement under the act is a misdemeanor, and establish procedures for issuing administrative penalty orders.)</p>
38	<p>Medication administration.</p> <p>Amends § 144A.43, subd. 11. Modifies the definition of medication administration in statutes governing home care providers.</p>
39	<p>Medication reconciliation.</p> <p>Adds subd. 12a to § 144A.43. For statutes governing home care providers, defines medication reconciliation as the process of identifying the most accurate list of all medications a client is taking by comparing the client record to an external list of medications.</p>

Section	Description – Article 11: Health Department
40	<p>Standby assistance.</p> <p>Amends § 144A.43, subd. 30. Modifies the definition of standby assistance in statutes governing home care providers.</p>
41	<p>Changes in ownership.</p> <p>Amends § 144A.472, subd. 5. Amendments to paragraph (a) clarify what constitutes a change of ownership for a home care provider business. New paragraphs (b) and (c) provide that when a change in ownership occurs, employees of the business under the old owner who continue employment with the business under the new owner are not required to undergo new training, except on policies of the new owner that differ from those of the old owner.</p>
42	<p>Fees; application, change of ownership, renewal, and failure to notify.</p> <p>Amends § 144A.472, subd. 7. Adds a fine of \$1,000 for a home care provider with a temporary license that fails to notify the commissioner of health within five days after it begins providing services to clients.</p>
43	<p>Issuance of temporary license and license renewal.</p> <p>Amends § 144A.473.</p> <p>Subd. 1. Temporary license and renewal of license. Exempts temporary licenses from the requirement that home care provider licenses are valid for up to a year from the date of issuance.</p> <p>Subd. 2. Temporary license. Adds a reference that temporary licenses can be extended according to subdivision 3. Requires the commissioner to survey temporary licensees within 90 calendar days after the provider begins providing services. Also changes terminology from license year to license period.</p> <p>Subd. 3. Temporary licensee survey. Modifies steps the commissioner may take if a temporary licensee is not in substantial compliance with a survey: in addition to not issuing a license as provided in current law, the commissioner may terminate the temporary license, or extend the temporary license and apply conditions. Establishes a deadline by which the commissioner must receive a reconsideration request and supporting documentation from a temporary licensee. Lists the circumstances under which a temporary licensee whose license is denied may continue operating.</p>
44	<p>Types of home care surveys.</p> <p>Amends § 144A.474, subd. 2. In a subdivision governing home care provider surveys, defines change in ownership survey, and requires such surveys to be completed within six months after the commissioner issues a new license due to a change in ownership.</p>

Section	Description – Article 11: Health Department
45	<p>Conditions.</p> <p>Amends § 144A.475, subd. 1. Permits the commissioner to refuse to grant a license as a result of a change in ownership, if a home care provider, owner, or managerial official engages in certain conduct.</p>
46	<p>Terms to suspension or conditional license.</p> <p>Amends § 144A.475, subd. 2. Provides that a home care provider operating under a suspended or conditional license according to this subdivision may continue to operate while home care clients are being transferred to other providers.</p>
47	<p>Plan required.</p> <p>Amends § 144A.475, subd. 5. Provides that a home care provider whose license is being suspended or revoked according to this subdivision may continue to operate while home care clients are being transferred to other providers.</p>
48	<p>Prior criminal convictions; owner and managerial officials.</p> <p>Amends § 144A.476, subd. 1. Requires the commissioner to conduct a background study on owners and managerial officials of a home care provider before issuing a license due to a change in ownership.</p>
49	<p>Employee records.</p> <p>Amends § 144A.479, subd. 7. Makes a technical change.</p>
50	<p>Labor market rate reporting.</p> <p>Adds subd. 8 to § 144A.479. Requires home care providers to comply with labor market reporting requirements being added to a section governing providers and payment for home and community-based waivers.</p>
51	<p>Home care bill of rights; notification to client.</p> <p>Amends § 144A.4791, subd. 1. Clarifies that a client must receive a written notice of the home care bill of rights before the date services are first provided to the client.</p>
52	<p>Statement of home care services.</p> <p>Amends § 144A.4791, subd. 3. Clarifies that a home care provider must provide the client with information about the home care provider's license and the services the provider can provide before the date services are first provided to the client.</p>
53	<p>Initiation of services.</p> <p>Amends § 144A.4791, subd. 6. Clarifies that if a client receives services before the client receives a review or assessment, a licensed health professional or registered nurse must complete a temporary plan and orient staff to deliver services.</p>

Section	Description – Article 11: Health Department
54	<p>Basic individualized client review and monitoring.</p> <p>Amends § 144A.4791, subd. 7. Requires an initial review of the client’s needs and preferences to be completed within 30 days after the date home care services are first provided to the client.</p>
55	<p>Comprehensive assessment, monitoring, and reassessment.</p> <p>Amends § 144A.4791, subd. 8. Requires an initial assessment or reassessment to occur within specified periods after the date home care services are first provided to the client.</p>
56	<p>Service plan, implementation, and revisions to service plan.</p> <p>Amends § 144A.4791, subd. 9. Requires a service plan to be finalized within 14 days after the date home care services are first provided, rather than after the initiation of home care services. Modifies what the service plan must include regarding staffing and supervision.</p>
57	<p>Medication management services; comprehensive home care license.</p> <p>Amends § 144A.4792, subd. 1. Requires a comprehensive home care provider to have policies to ensure security and accountability for management, control, and disposition of controlled substances, if the provider stores and secures controlled substances.</p>
58	<p>Provision of medication management services.</p> <p>Amends § 144A.4792, subd. 2. Requires an assessment conducted before a home care provider provides medication management services, to include providing instructions to the client or a representative on interventions to manage medications and prevent medication diversion.</p>
59	<p>Individualized medication management plan.</p> <p>Amends § 144A.4792, subd. 5. Requires medication reconciliation to occur as part of medication management.</p>
60	<p>Medication management for clients who will be away from home.</p> <p>Amends § 144A.4792, subd. 10. Modifies requirements for medication management for clients who will be away from home:</p> <ul style="list-style-type: none"> ▪ for unplanned time away, limits the amount of medication a client may receive to the amount needed for seven calendar days (rather than 120 hours [five calendar days] as in current law); and ▪ requires written procedures that apply during unplanned time away when a registered nurse is not available, to specify how unlicensed staff must document unused medications that are returned to the provider.

Section	Description – Article 11: Health Department
61	<p>Treatment and therapy orders.</p> <p>Amends § 144A.4793, subd. 6. Requires treatment and therapy orders to be renewed at least every 12 months, and requires these orders to include information on the duration of the treatment or therapy.</p>
62	<p>Content.</p> <p>Amends § 144A.4796, subd. 2. Makes a technical change to a subdivision governing what must be covered in home care provider employee orientation.</p>
63	<p>Supervision of staff providing delegated nursing or therapy home care tasks.</p> <p>Amends § 144A.4797, subd. 3. Clarifies when supervision must take place for staff performing delegated tasks.</p>
64	<p>Disease prevention and infection control.</p> <p>Amends § 144A.4798. Consolidates and updates disease prevention and infection control requirements for home care providers.</p>
65	<p>Membership.</p> <p>Amends § 144A.4799, subd. 1. Allows persons who have received home care services within the past five years to be members of the home care and assisted living program advisory council.</p>
66	<p>Duties.</p> <p>Amends § 144A.4799, subd. 3. Clarifies the topics on which the home care and assisted living program advisory council may provide advice to the commissioner.</p>

68	<p>Grant program established.</p> <p>Amends § 145.908. Amends the grant program for screening and treatment of pre- and postpartum women for mood and anxiety disorders, to allow state money appropriated for this purpose to be used for this program (current law requires this program to be funded with federal funds).</p>
69	<p>Goal; establishment.</p> <p>Amends § 145.928, subd. 1. Adds access to and utilization of high-quality prenatal care, to the list of priority areas in the eliminating health disparities program operated by the commissioner of health.</p>

Section	Description – Article 11: Health Department
70	<p>Community grant program; immunization rates, prenatal care access and utilization, and infant mortality rates.</p> <p>Amends § 145.928, subd. 7. Allows the commissioner of health to award grants through the eliminating health disparities grant program, for projects to decrease racial and ethnic disparities in access to and utilization of high-quality prenatal care.</p>
71	<p>Purpose.</p> <p>Amends § 145.986, subd. 1. Expands the focus of the statewide health improvement program to addressing the leading preventable causes of illness and death in the state as determined by the commissioner of health through the statewide health assessment. (Under current law, the statewide health improvement program is required to address the top three leading preventable causes of death: tobacco use, poor diet, and lack of regular physical activity.)</p>
72	<p>Grants to local communities.</p> <p>Amends § 145.986, subd. 1a. Modifies requirements for local community grants awarded through the SHIP program to:</p> <ul style="list-style-type: none"> ▪ allow grants to be awarded for proven-effective, promising practice, or theory-based strategies (rather than for evidence-based strategies as in current law); and ▪ allow a certain percentage of grants awarded to be for strategies that are culturally or ethnically focused. <p>Also strikes obsolete language; strikes language allowing grant recipients to use grant awards for purposes other than addressing tobacco use, poor diet, and lack of regular physical activity; and defines proven-effective, promising practice, and theory-based.</p>
73	<p>Evaluation.</p> <p>Amends § 145.986, subd. 4. Requires the commissioner of health’s biennial evaluation of SHIP grants to use the most appropriate experimental or quasi-experimental design for the grant activity or project, and requires the commissioner to consult with the commissioner of management and budget to ensure the evaluation uses an experimental or quasi-experimental design. Also defines terms for this subdivision.</p>
74	<p>Report.</p> <p>Amends § 145.986, subd. 5. Requires each biennial report submitted by the commissioner to the legislature on SHIP to include a description of the contracts awarded and the monitoring and evaluation systems implemented under these contracts. (Under current law, only the report due January 15, 2014 was required to include these components.)</p>

Section	Description – Article 11: Health Department
75	<p>Supplantation of existing funds.</p> <p>Amends § 145.986, subd. 6. Strikes language referring to grants used to address obesity or tobacco use, to conform with another section that allows grants to be used to address the leading preventable causes of illness and death in the state.</p>
76	<p>Sale of certain cannabinoid products.</p> <p>Adds § 151.72. Establishes requirements for the sale, testing, and labeling of cannabinoid products.</p> <p>Subd. 1. Definitions. Defines terms for this section: hemp, labeling.</p> <p>Subd. 2. Scope. Provides that this section applies to the sale of any product, other than food, that contains nonintoxicating cannabinoids extracted from hemp and intended for human or animal consumption.</p> <p>Subd. 3. Sale of cannabinoids derived from hemp. Allows a product containing nonintoxicating cannabinoids to be sold if the requirements of this section are met.</p> <p>Subd. 4. Testing requirements. Requires a manufacturer of a product governed by this section to submit representative samples of the product to an independent laboratory to certify the product complies with standards developed by the Board of Pharmacy. Lists standards that the product must meet and that must be confirmed by laboratory testing. Requires the manufacturer to provide the board with test results, if the board so requests.</p> <p>Subd. 5. Labeling requirements. Lists information that must be included on a product's label, requires the information to be easy for consumers to read and understand, and prohibits the label from including any health claim that has not been approved by the Food and Drug Administration.</p> <p>Subd. 6. Enforcement. Provides that a product is considered an adulterated drug if it meets one of the listed criteria, and provides that a product is considered a misbranded drug if the product's labeling is false or misleading in any way. Allows the Board of Pharmacy to issue a cease and desist order, embargo adulterated or misbranded drugs, and seek injunctive relief to address violations of this section.</p> <p>Makes this section effective January 1, 2020, and apply to products sold in this state on or after that date.</p>
77	<p>Marijuana.</p> <p>Amends § 152.01, subd. 9. Amends the definition of marijuana for chapter 152 (controlled substances), to provide that marijuana does not include hemp as defined in the medical cannabis statutes.</p>

Section	Description – Article 11: Health Department
78	<p>Hemp.</p> <p>Adds subd. 5a to § 152.22. Defines hemp for purposes of the medical cannabis statutes, by referring to the definition of industrial hemp in chapter 18K.</p>
