

Chapter 6

2019 Regular Session

Subject Disaster relief
Analyst Colbey Sullivan
Date April 17, 2019

Overview

This act allocated \$10,000,000 to the Disaster Assistance Contingency Account. Governor Tim Walz signed this act into law on April 1, 2019, and the law took effect the following day.

The legislature established the Disaster Assistance Contingency Account in 2014 so that state money would be available to the executive branch to promptly respond to and recover from a qualifying disaster. For more information, see the House Research publication *Contingent Funding for Disaster Relief* at:
