

Chapter 48

2019 Regular Session

Subject Hennepin County library

Analyst Deborah A. Dyson

Date May 21, 2019

Overview

Provides that the Hennepin County library director must be qualified by experience and education, eliminating the specific requirement that the director have a graduate school degree from a school accredited by the American Library Association. Establishes a preference for candidates with library experience.

Effective August 1, 2019.
