

Chapter 106

2020 Regular Session

Subject Cosmetology licensing

Analyst Anna Scholin

Date May 22, 2020

Overview

Removes licensure requirements for hairstyling and makeup services.

Summary

| Section | Description |
|---------|--|
| 1 | Hairstyling. Defines hairstyling as cleaning, drying, arranging, or styling hair in ways that do not include cutting, coloring, or chemically altering the hair. |
| 2 | Makeup services. Defines makeup services as makeup application, including airbrushing, but not including permanent makeup, tattooing, or facial services. |
| 3 | Exemptions. Exempts anyone who performs only hairstyling and makeup services from all the cosmetology regulations as long as a four-hour approved course on applicable health, safety, and infection-control matters and state law has been completed. |
| 4 | Exemption. Exempts facilities where only hairstyling and makeup services are performed from the requirements of salon licensure. |
| 5 | Board of Cosmetologist Examiners. Reduces the fiscal year 2021 appropriation to the Board of Cosmetologist Examiners by \$12,000. |
