

Chapter 76

2022 Regular Session

Subject Transitioning Minnesota Sentencing Guidelines Commission staff to the classified service

Bill H.F. 3013

Analyst Ben Johnson

Date May 23, 2022

Overview

State civil service includes both the classified and unclassified service. The primary differences between the classified and unclassified service are in hiring, discipline, and discharge decisions. Classified employees are hired through a competitive examination process and can be dismissed only for just cause. Discipline decisions, up to and including discharge, must follow the procedures under the applicable collective bargaining agreement, plan, or as provided in section 43A.33. This act transitions current employees of the Minnesota Sentencing Guidelines Commission from the unclassified service to the classified service.
