

Chapter 22

2025 Regular Session

Subject Allowing local units of government to perform certain background checks

Bill H.F. 286

Analyst Ben Johnson (ben.johnson@house.mn.gov)

Date May 21, 2025

Overview

Current Minnesota law authorizes cities and counties to conduct a background check that includes records within the state. This act authorizes cities and counties to conduct a background check that includes the national database for applications for a license to operate an adult entertainment establishment or license to provide massage services.

Summary

Section	Description
