

References a missing subdivision.

- 14 **Area learning center pupils.** Strikes dated language referring to nonregular transportation and incorrect cross reference.
- 15 **Post-secondary enrollment options pupils.** Strikes dated language referring to nonregular transportation.
- 16 **Finances.** Strikes reference to repealed statutory section.
- 17 **Special education aid.** Strikes reference to nonexistent paragraph.
- 18 **Lactose reduced milk.** Makes grammatical correction.
- 19 **Additional community education revenue.** Requires reference to 1992 statutes in order to establish revenue at a particular point in time.
- 20 **Commission.** Recodifies a statutory reference.
- 21 **Youth works grants.** Strikes reference to a council that never came into effect and causes the commission to remain in effect.
- 22 **Grant application.** Strikes reference to a council that never came into effect and causes the commission to remain in effect.
- 23 **Uses of postservice benefits.** Strikes reference to a council that never came into effect and causes the commission to remain in effect.
- 24 **Program training.** Strikes reference to a council that never came into effect and causes the commission to remain in effect.
- 25 **Training and education requirements.** Strikes reference to a council that never came into effect and causes the commission to remain in effect.
- 26 **Priority given to eligible organization meeting specific goals.** Strikes reference to a council that never came into effect and causes the commission to remain in effect.
- 27 **Grantee organizations.** Strikes reference to a council that never came into effect and causes the commission to remain in effect.
- 28 **Interim report.** Strikes reference to a council that never came into effect and causes the commission to remain in effect.
- 29 **Use of aid.** Refers to statutory section instead of a subdivision.
- 30 **Programs funded.** Strikes outdated reference to revenue and substitutes aid.
- 31 **General requirements for programs.** Recodifies a statutory reference.
- 32 **Grants; procedures.** Recodifies a statutory reference.
- 33 **Revenue amount.** Recodifies a statutory reference.
- 34 **Parental involvement programs.** Recodifies a statutory reference.
- 35 **Desegregation/Integration and inclusive education rules.** Directs the commissioner to propose instead of make desegregation/integration and inclusive education rules by January 10, 1999.
- 36 **Definitions.** Strikes references to repealed statutory sections.
- 37 **Supplemental revenue.** Recodifies statutory references.
- 38 **General education levy equity.** Strikes reference to a chapter repealed when education chapters were recodified.
- 39 **Recommendation.** Corrects incorrect cross reference.
- 40 **Revenue conversion.** Strikes reference to repealed subdivisions.
- 41 **Rate adjustment.** Strikes reference to repealed subdivisions.

- 42 **Revenue uses.** Refers to the 1993 statutory supplement to establish the relevant year for taxes payable in 1994.
- 43 **Health insurance.** Refers to technical colleges in existence when statutory provision was adopted in order to clarify employees' right to insurance benefits.
- 44 **Crime-related costs levy.** Removes 1991 reference not needed due to ongoing levy established in statute.
- 45 **Notice to commissioner; forms.** Strikes reference to a chapter repealed when education chapters were recodified.
- 46 **Estimates.** Strikes reference to a chapter repealed when education chapters were recodified.
- 47 **Commissioner duties.** Changes gender-neutral reference from it to commissioner.
- 48 **Aid payment percentage.** Strikes reference to a chapter repealed when education chapters were recodified.
- 49 **Establishment; purpose.** Corrects incorrect cross reference related to repeal of the state board of education.
- 50 **Repealers without effect.**
- Subd. 1. Effect.** (a) Reinstates the youth works commission that would have been repealed if the council came into effect, which it did not.
- (b) Indicates that the authority for the school desegregation rule remains in effect and that the duty to adopt the rule resides with the commissioner of children, families and learning and not the state board of education.
- Subd. 2. Revisor instruction.** Directs the revisor to renumber the youth works commission provisions in order to reconcile the numbers with the recodification of the education statutes.
- Subd. 3. Effective date.** Makes subdivision 1, paragraph (a) effective retroactive to July 1, 1997. Makes subdivision 1, paragraph (b) effective retroactive to July 1, 1998.
- 51 **Repealer.** (a) Repeals nonregular transportation provisions no longer in effect, targeted needs transportation aid for fiscal years 1997 and 1998, the definition of the youth works council and the youth works final report.
- (b) Repeals the expiration of the state interagency coordinating council because the 1998 kindergarten through grade 12 funding bill causes the council to expire on June 30, 2001.
- (c) Removes conflicting language governing lease purchase and installment buy agreements.
- 52 **Effective date.** Makes section 43 governing technical college employees effective retroactive to July 1, 1995 to avoid any gap in benefit coverage due to the creation of the Minnesota state colleges system. Makes section 35 directing the commissioner to propose rules relating to desegregation/integration and inclusive education effective retroactive to January 1, 1999 to clarify the intent to have the authority for the rules remain in effect.
