### Overview

H.F. 294 provides for a standing, annual appropriation to the commissioner of public safety to provide disaster relief aid to political subdivisions for extraordinary expenses due to a disaster. The bill requires the commissioner to establish procedures for political subdivisions to apply for the aid and it requires a local match, which may be in kind, of one dollar for every three dollars of state aid.

(b) Specifies the eligibility requirements:

the aid must be for expenses not otherwise covered;

the expenses must exceed five percent of the net tax levy;

the expenses incurred must be for a public purpose.

**Subd. 2. Matching requirement.** Requires one dollar local for every three dollars in state aid. Permits the nonstate portion to be in kind.

Requires the commissioner to make the aid payments in installments and as matched by the political subdivision.
