---

### Overview

Authorizes a \$3 million grant to a school district if that district builds a new school building using monolithic dome construction techniques. Requires the school district receiving the grant to serve as a pilot site and share information on the construction with the state and other school districts.

- 1 Alternative Design Grant.** Appropriates \$3 million for a grant to a school district that builds a monolithic domed school.
- 2 Effective Date.** Makes section 1 effective the day following final enactment.
