Overview

This bill allows the commissioner of human services to authorize a project to reconfigure two ICFs/MR in Carver county.

- 1 ICF/MR service reconfiguration project.** (a) Allows the commissioner of human services to authorize a project to reconfigure two existing ICFs/MR in Carver county, totaling 60 beds in one 46-bed facility and one 14-bed facility. Allows 12 beds to be relocated to six-bed ICFs/MR, with the remaining ICFs/MR consisting of one 34-bed and one ten-bed facility.
(b) Requires the project to include the development of alternative home and community-based services for individuals relocated, and requires two beds in the 34-bed facility to be reserved for temporary care services. Allows that facility to modify its need determinations.
(c) Requires the project to be approved by the commissioner, include criteria on how individuals will be selected for alternative services, and use an RFP process for choosing vendors. Authorizes the commissioner to develop one additional bed and to set aside waived services slots as needed.
(d) Specifies reimbursement conditions for the facilities involved in the reconfiguration project.
