Overview

This bill increases prepaid MA and prepaid GAMC contract rates for nonmetropolitan counties.

- 1 Prospective reimbursement rates.** Amends § 256B.69, subd. 5b. Effective January 1, 2000, increases prepaid MA and prepaid GAMC contract rates for nonmetropolitan counties, on a weighted average, to 95 percent of the capitation rates for metropolitan counties, excluding Hennepin county. (Under current law, these rates are set at 88 percent of the rates for metropolitan counties, excluding Hennepin county, and the commissioner is required to adjust capitation rates for metropolitan counties to ensure budget neutrality.)
