Overview

Under special law relating to the Minneapolis park and recreation board, the superintendent of the board may appoint any suitable person to the positions identified, notwithstanding charter provisions, veterans' preferences, civil service rules or other laws to the contrary. Persons appointed to these positions serve in the unclassified service of the city and at the pleasure of the superintendent. This bill adds a position to the list and changes the title of another position.

- 1 Minneapolis park and recreation board employees.** Adds the position of "assistant superintendent for development" to the list of positions that the superintendent of the Minneapolis park and recreation board may fill notwithstanding other employment laws. Changes the title of "park police chief" to "director, park safety."
- 2 Local approval.** Makes the act effective upon local approval.
