### Overview

This bill requires documents relating to contracts for state or state-aided highways to use the English rather than the metric system of measurement.

- 1 Trunk highway contracts.** Requires plans, specifications, and other documents for state trunk highway construction, improvement, and repair to express measurements in the English system only. Applies to contracts offered for bid on and after July 1, 1999.
- 2 State-aid contracts.** Makes the same requirement as in section 1 for contracts for county state-aid highways and municipal state-aid streets. Applies to contracts offered for bid on and after July 1, 1999.
