Subject: Wireless Telecommunication Equipment on State Property

Analyst: Mike Bull, 651-296-8961

This publication can be made available in alternative formats upon request. Please call 651-296-6753 (voice); or the Minnesota State Relay Service at 1-800-627-3529 (TTY) for assistance. Summaries are also available on our website at: www.house.mn/hrd.

Section

- 1 **Wireless equipment on state-owned property.** Notwithstanding any provision to the contrary, permits the commissioner of administration to allow commercial wireless service providers to install equipment on state property. Requires the commissioner to charge a fee or to receive specified services in return from the wireless service providers.

Exempts agreements under this section from current law, which limits rentals of state property to five years, unless the executive council approves rental of up to 25 years.
