This bill would allow the governing body of the city of St. Louis Park to abolish the firefighter's civil service commission created under Minnesota Statutes, chapter 420.

Chapter 420 provides for the abolition of a commission that has been continuously in operation for less than eight years by two-thirds vote in a general municipal election when called for by a petition signed by 25 percent of legal voters. The chapter does not provide for the abolition of a commission in operation for eight years or more.
