This bill would appropriate an additional \$4,600,000 to the Family Homeless Prevention and Assistance program administered by the Minnesota Housing Finance Agency over and above the program's base budget, and the new total would become the program's base budget going forward. The program's base budget for the 2000-02 biennium was \$6,500,000 (\$2,250,000 in TANF money), with an additional \$500,000 of TANF funding appropriated in the 2000 session.
