This bill would appropriate general fund money to two programs serving homeless people to replace one-time TANF money and one-time general fund money appropriated in 2001. The bill would add \$3,747,722 to the base appropriation for the transitional housing program, and \$1,000,000 to the base appropriation for the emergency services grants program, both administered by the department of children, families, and learning. The 2002-2003 appropriation for transitional housing was \$3,796,000 from the general fund and \$3,850,000 from TANF. The 2002-2003 total appropriation for emergency services grants was \$1,700,000, of which \$500,000 was one-time funding from TANF and \$500,000 was one-time funding from the general fund.
